The Art of Colour

Art by the Bay 2013

Creative parents and teachers have collaborated with the children of Rose Bay Public School over the last term to bring to fruition their biennial art showcase, The Art of Colour. The sheer enthusiasm that is expressed through the children's creativity is inspiring. Every child in the school has produced an individual piece for the exhibition. The many and varied skills of teachers and parents working with students has resulted in an amazingly diverse collection of work.

Student Opening

On Thursday 17th October at 11:30am, there will be a special opening of this year's Art of Colour exhibition for students. The exhibition will be opened by Alex Weight an artist who has spent more than 15 years working professionally in 3D animation. This is strictly a **student only** event.

Opening Night

The official opening of Art by the Bay will be on **Thursday 17th October at 6:30pm.** This year we are extremely fortunate to have Edmund Capon AM OBE to officially open our exhibition night. Edmund Capon is one of Australia's most respected, admired and recognisable figures in the Arts. Edmund is known for his directorship of the Art Gallery of NSW, a position he held for 33 years until his retirement in 2011. We will continue the tradition of providing parents with an opportunity to purchase the children's group artworks through both a 'silent' and 'live' auction on Opening Night. There will be live music throughout the evening and catalogues will be distributed, detailing the exhibited works. Additionally, there will be some one of a kind canvas bags sold through the silent auction. These bags have been hand crafted by the staff at Rose Bay Public. All proceeds from the canvas bags will go to support the inspiring work done by Stewart House.
Please note: Opening Night is an **adults only event** due to the Department of Education's restriction on serving alcohol on school grounds with minors present. Doors will open at 6.30pm. The silent auction will be open from 6.30-7.45pm. Official proceedings will begin at 7.45pm followed by the live auction.

The Auction

The **live auction** will begin at 8:00pm. The live auction consists of 'group works' created by the students of Rose Bay Public School. These are the real masterpieces and your only opportunity to own them will be by being there on the night to bid for them. **Payment procedures** If you are successful at the auction, payment needs to be made at the school office that night. Payment can be made using credit card (MasterCard or Visa) or cash only. **Collection procedures** As this year's Art by the Bay is open for an extended time period, items that are purchased in the live auction **will not** be available for collection until **11:30am on Friday 25th October from the school office.**

Opening Night tickets cost **$20** per person and provide entry to the opening night, finger food and two complimentary drinks. Additional drinks can be purchased at the bar - water $1.50 and wine $5.00. A reminder that children are **not** permitted at this event. Please purchase tickets before Opening Night. You will need to bring your tickets on the night to gain entry and receive your two complimentary drinks.

General Exhibition tickets allow unlimited entry to the exhibition on Friday 18th, Monday 21st, Tuesday 22nd and Wednesday 23rd October before and after school. The exhibition will be open from 8.00 am to 9.10am and from 3:30pm – 5:00pm. This ticket allows parents to share the exhibition with their children and other special visitors that they would like to bring along. General tickets cost $5 per person. Students of Rose Bay Public School attend the exhibition for free but must be accompanied by their parent/carer or classroom teacher.

The Creative Arts Team would like to thank you for all your support and cooperation. We look forward to seeing you on the Opening Night, which will undoubtedly be a fantastic evening celebrating the creativity of our students.

The new School Bus Route has started.

The 606 afternoon school bus will change its route to incorporate parts of North Rose Bay, Vaucluse and Dover Heights.

This is great news. The new route will benefit the many school families living in those areas and will also help alleviate the traffic congestion around the school.

Students are now using both buses the 606 and the 633 Thanyou for your patience as we adjust and settle into the new routine and changes.

A few safety reminders

A reminder that the climbing equipment is out of bounds before and after school for all students.

Toddlers and pre-schoolers should not use this equipment at anytime as it is designed for older children who must be taught how to use the equipment safely.

We have had a few nasty falls from the equipment during these times and we ask that the community support us in this safety matter.

Similarly students should go straight home when school concludes at 3.20pm There should be no handball or running around. Should any parent or carer be running late please contact the school and we will direct the students to the office area to wait.

Thank you for your assistance with these important safety matters.

The School Bus Route has changed.

When? Tuesday 8 October .

What is changing?

The afternoon bus route 606 will change to include parts of North Rose Bay, Vaucluse and Dover Heights.

What is the new route?

The bus will turn left onto Old South Head Rd from Albemarle Ave, right onto Military Rd, right onto Koboda Rd, left onto Peel St, left onto Lancaster Rd, right onto Military Rd, right onto Lyons Rd, left onto Hardy St, right onto Murriverie Rd, left onto Mitchell, left onto Wairoa Ave, right onto Campbell Pde, right onto Bondi Road, left onto Oxford St to Bondi Junction Interchange.
A map showing the new route is attached.

Where will the bus stop?

A current list of bus stops for the new route is also attached.
Sydney Buses has applied to Waverley Council to install additional bus stops on Lyons Rd, on Hardy St opposite Rose Bay Secondary College and on Hardy St near Clyde St. We will let you know the outcome of this application, and the proposed dates for installation of the new stops.

Will the new route cover the existing route?

The new route will cover most of the existing route, as well as the additional areas outlined above. The only areas which will not be covered by the new route are Old South Head Rd between Albemarle Ave and Murriverie Rd, and the western end of Murriverie Rd.

Will the timing change?

There will be no change to the bus's current departure time from the school (ie 3.32 pm daily). However, the trip will take longer. Sydney Buses anticipates that the bus will arrive in the Bondi Basin and at Bondi Junction Interchange approximately 16-18 minutes later than the current arrival times.

Are there any alternatives?

Students wishing to travel to Old South Head Rd south of Albemarle Ave, or who wish to make a quicker journey to Bondi Junction via Birriga Rd, will be able to use the existing 633 school special route. That bus stops outside the school every afternoon and takes a more direct route to Bondi Junction. The route for the 633 bus will not be altered. See the Sydney Buses website:
http://www.sydneybuses.info/schools/rbps/633c?activation_date=2013-07-14

Bus fares

Children who live more than 1.6km from the school (radial distance) and all children in K-2 are entitled to a free school bus pass. Application forms are at the office. Children not eligible for free travel are welcome to use the bus as fare payers. Term bus passes are available from State Transit for $50.00. Alternatively, students can pay per trip or use a "Travel Ten" bus ticket.

Parents

Paying adults are welcome to accompany their children on school buses. You may wish to join your child on the bus the first few times to help him or her become familiar with the route.

If you have any questions about the bus route changes please put them in writing and hand them into the school office. Thank you ☺

Do you have a child in year 4, 5 or 6?

Act now! Time is running out fast!

HAVE YOU MISSED OUT ON THOUSANDS OF DOLLARS?

If your child was born between **1 July 2001 and 30 June 2004** you may be eligible to receive up to $12,500 of entitlements.

The government has now put a deadline on this entitlement so please email **childoffset@twelve.com.au** to receive more information.
