

# Rose Bay Public School Song

There's a schoolhouse by the harbour  
Where the roses set to grow  
That still remembers laughter  
From one hundred years ago  
And if you quietly listen  
You can hear the children sing  
A hundred different melodies  
Of a thousand different things.

This is our school  
We are the children of Rose Bay  
Ever forward is our aim  
In every single way.

This is our school  
We are the children of Rose Bay  
Ever forward is our aim  
In all our work and play.
