

Calling for Sportathon Sponsors

Next month we will be holding Rose Bay Public School's major fundraiser, the Sportathon.

The fast-and-furious sporting event is for the entire school and involves 12 different sporting activity stations in 90 minutes. It is enormous fun for the children with the added benefit of raising much-needed money for the school.

The goal:

One new Mobile Learning Centre

Mobile Learning Centres will give every Rose Bay Public School student easier access to technology in our growing school.

To help us achieve our target we are calling for Sponsors to demonstrate their willingness to support the learning and development of Rose Bay Public School.

If you have a business, and would like your logo to appear on:

- Sportathon event posters around the school;
- Sportathon booklets distributed to all 600 students; and
- Promotion in the newsletter and on the school website

please call Karen Collins on 0412 077 655 before 5pm Friday 12 April.

Every dollar counts!
