Art of Colour" Calico Bags for Stewart House

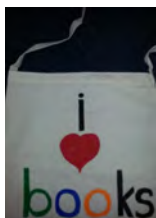

The Staff at Rose Bay Public School have been busy working their magic to create one-of-a-kind calico bags. These will be up for grabs at the Silent Auction at the Art by the Bay—"The Art of Colour" Opening Night. These bags will not be on display for your viewing during the General Exhibition as these will be sold on Opening Night.

All proceeds for these bags will go directly to Stewart House. Stewart House is a charity that provides short term respite care for children in need who need a break from everyday life. During their stay children receive emotional support, medical services and participate in educational programs and outer school activities that boosts self-esteem and promotes a healthy lifestyle.

Please dig deep to support this charity and in the process become a trendsetter with one of these colourful bags.

The Art of Colour

Art by the Bay 2013

Creative parents and teachers have collaborated with the children of Rose Bay Public School over the last term to bring to fruition their biennial art showcase, The Art of Colour. The sheer enthusiasm that is expressed through the children's creativity is inspiring. Every child in the school has produced an individual piece for the exhibition. The many and varied skills of teachers and parents working with students has resulted in an amazingly diverse collection of work.

Student Opening

On Thursday 17th October at 11:30am, there will be a special opening of this year's Art of Colour exhibition for students. The exhibition will be opened by Alex Weight an artist who has spent more than 15 years working professionally in 3D animation. This is strictly a **student only** event.

Opening Night

The official opening of Art by the Bay will be on **Thursday 17th October at 6:30pm**. This year we are extremely fortunate to have Edmund Capon AM OBE to officially open our exhibition night. Edmund Capon is one of Australia's most respected, admired and recognisable figures in the Arts. Edmund is known for his directorship of the Art Gallery of NSW, a position he held for 33 years until his retirement in 2011. We will continue the tradition of providing parents with an opportunity to purchase the children's group artworks through both a 'silent' and 'live' auction on Opening Night. There will be live music throughout the evening and catalogues will be distributed, detailing the exhibited works. Additionally, there will be some one of a kind canvas bags sold through the silent auction. These bags have been hand crafted by the staff at Rose Bay Public. All proceeds from the canvas bags will go to support the inspiring work done by Stewart House.

Please note: Opening Night is an **adults only event** due to the Department of Education's restriction on serving alcohol on school grounds with minors present. Doors will open at 6.30pm. The silent auction will be open from 6.30-7.45pm. Official proceedings will begin at 7.45pm followed by the live auction.
