State Of Emergency

The fires are the worst to hit our State in decades. The threat they pose is unparalleled.

According to the Rural fire service, more than 60 fires are still burning and over 200 homes have already been destroyed.

Our thoughts are with the 2000 firefighters on duty-including those from interstate. It is an exhausting and dangerous job.

Our thoughts and best wishes are also with all those families, schools and entire Communities under threat as the bush fire emergency continues to unfold.

It puts things in perspective for us all.

Rose Bay Public School Art Show

Art by the Bay 2013

The Art of Colour

To all the students, staff, parents and volunteers.

Congratulations on a fantastic Art Show.

Rose Bay was certainly shining this week.

I am proud of everyone.

Bushfire Air Pollution and Outdoor Physical Activity NSW Health yesterday issued an alert recommending that people not engage in physical activity outside given the current air quality due to bushfires, particularly between Wollongong and Newcastle. For the remainder of the week, it is recommended that students not participate in outdoor school sports. As a result of this recommendation all school sport, including PSSA, and all Friday Sport (Tennis, Gymnastics, AFL, Cricket Skills etc) has been cancelled.

BAND

Senior Band had a great band rehearsal last week despite interruptions from the Art Show. We certainly entertained the helpers setting up the art displays with our Gangnam Style!

Senior Band should be practicing Gangnam Style, Rolling in the Deep and Atlantis. Junior Band should be working on their new piece Beginner Band Greatest Hits. Remember to fill in your practice charts!

This week my "Star of the Week" was awarded to Finn Ottaviano for excellent contribution in band and remembering what "poco a poco cres." meant. Well Done Finn!

Rose Bay Public School

School Bus 606 – Update!

The new 606 bus route has now been in operation for over two weeks and so far has been a huge success! Most days the bus is close to capacity and the school is receiving new enquiries and bus pass applications every day.

The new route is certainly catering for the school community!

Like with anything new, there have been some minor teething issues and some 'tweaking' of the route may still need to take place ... stay tuned.

There is currently a gap in bus stops between Military Rd near Dover Rd (Dover Heights) and Mitchell St near O'Donnell St (North Bondi). The school is working with Sydney Buses and Waverley Council to install additional bus stops on Lyons Rd and Hardy St. In the meantime children will not be able to alight from the bus along this part of the route (approximately 1.3 km). We will keep you posted of developments on this front.

A map of the new route and a current list of bus stops are attached.

If you live along or near the route we strongly urge you to consider using the bus for your child. A teacher is on duty every afternoon to supervise children as they wait for and board the bus. Many parents of younger children are now opting to meet their child at the bus stop rather than driving all the way to school. The bus is a great way to reduce congestion and relieve parking stresses!

Bus pass application forms are available at the office.

Thank you to all school families for your patience and understanding as we get used to the new arrangements.

Happy travelling!
