Road Crossing Supervisor

Good news! After many months of correspondence with RMS, the school has been allocated a permanent crossing supervisor to oversee the safe use of the pedestrian crossing on Albemarle Ave during peak times.

Please warmly welcome Jeff who will be filling this role temporarily while a permanent supervisor is recruited and trained. Jeff has many years of experience in this kind of work and there has already been a noticeable improvement in the traffic conditions on Albemarle Ave.

Many thanks to our parent traffic committee for their hard work on this initiative.

Thank you

Shortly prior to the recent school holidays, Rose Bay Community Partners 1st Street Home Loans and Hart Estate Agents signed on to continue their commitment to Rose Bay Public School for another year.

Former Rose Bay PS student, Jeremy Fisher (1st Street), and Alex Hart (Hart Estate Agents) handed over their respective cheques of \$5,500 to principal Gai O'Neill.

The money will go towards the purchase of another Mobile Learning Centre - which contains 30 wireless laptops housed in a rechargeable Learning Centre.

The school developed a wish list which included five MLCs last year, and following several successful P&C fundraisers, and the contribution by 1st Street and Hart Estate Agents, this dream is nearing a reality.

"As a proud supporter of Rose Bay Public School, 1st Street recognises the importance of giving the students access to the latest information technology," Fisher said. "The Mobile Learning Centre's are a fantastic initiative which we know will only benefit the children."

"We're thrilled to be able to partner with RBPS for a second year," Hart said. "Through our contributions to the library last year, and Mobile Learning Centre this year, it is gratifying to know that we are making such a practical impact on our children's education."

Ms O'Neill was delighted the Community Partners continued their support of our school, adding "Our school has an outstanding Technology program with excellent resources. The P&C fundraisers and contributions by Jeremy and Alex benefit every student and we are very grateful."

On Wednesday 17th July, our Annual Primary Athletics Carnival was held in fantastic weather conditions at E.S Marks Field. Primary children in years 3-6 (and Year 2 children turning 8 who wanted to participate) had the chance to run on the recently upgraded running track. The carnival was a great day for all involved. All students had the opportunity to participate in many events including various running races, high jump and long jump. Getting through our very full program would not have been possible without our wonderful teaching staff who worked non-stop on the day (without a break!) to make sure it ran smoothly. A big thank you must go to the parents who volunteered to stand and time races on the day!! Thank you also to the parents, family and friends who came along and supported the event.

Congratulations to all children at Rose Bay Public School who participated at our Annual Athletics Carnival. The athletes listed above deserve a special mention for their outstanding results on the day. The first three athletes placed in all 100m races and the first two athletes placed in the 200m and 800m races will be representing Rose Bay at the District Athletics Carnival in a few weeks. Best of luck to our district athletes!

Making Salad with KN

KN have been waiting for the time to be right to pick some of the vegetables from the Kindy Patch...finally on Friday, it was our lucky day! We picked some lettuce and herbs to make a special, home-grown salad! Some of us were sure we didn't like salad, but you'd never believe it, we LOVED it when we had grown the vegetables ourselves!

KH make green smoothies!

KH have been learning about life on the farm and where our food comes from. The children were already introduced to the concept of growing food when they planted vegetables in the school garden with Costa. Children observed the miraculous transformation from seeds to edible, organic plants!.

KH had great fun making their own green smoothies, using spinach, kale and rainbow chard, hand picked from the school garden with fruits!.
