P&C News

The Basement

Thanks to everyone who made The Basement fundraiser a big success.

Club Rose Bay RSL rocked to the sounds of the band Ulterior Motive. The dance floor was full of people grooving to covers from the 80s to today.

The silent auction was the place to be to grab a bargain. The class hampers, which were auctioned off on the evening, were fabulous. We had a large array of hampers, these included homewares, beach and kids games just to name a few. Thanks also to the local shops and businesses who so generously donated to our silent auction.

Lastly, I just wanted to say a big thank you to all who helped make the evening so much fun. Many hands did indeed make light work! Special thanks to Mandy Supprey, Vicki Caldwell and Sharine Ruppert for organising such a fabulous evening.

Picnic Under the Stars

The next big event is our much loved event, Picnic Under the Stars. Thursday 20th November from 5:30 to 7:30pm we hope all Rose Bay Public School families can come together in the school grounds to have dinner and enjoy being with friends. BYO dinner, picnic blanket and come prepared for some fun. There will be some water and pizzas for sale on the night.

Annual General Meeting

The P&C AGM will be held on Tuesday 11th November at 7:00 pm in the School Library. Everyone is welcome to come along and hear about the year's activities and plans for next year.

Public Speaking News

Last week four students from Rose Bay P.S. competed in the Greater Sydney Public Speaking competition which was held at Birchgrove Public School. This is a free choice Public Speaking event where students speak about their own personal interests. From Early Stage 1 we had Greg C., Cooper S. from Stage 1, Matthew C. from Stage 2 and Tara L. from Stage 3.

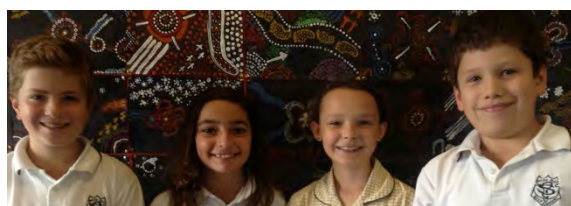

Rose Bay P.S. had great success on the day and as a result, Greg, Matthew and Tara won their stage competitions and will be attending the **state** finals on the 5th of November at Loftus Public School. This is an outstanding achievement for these students. At the end of this event, they will have competed against students from over 45 other school networks and 145 other schools in total.

Matthew has a very busy schedule ahead as he will also be competing at the Multicultural Public Speaking State Final this Friday. We wish all our Public Speakers the very best of luck in these events.

Debating News 2014

Debating has finished for yet another year and we finished with a bang! The final round was held at Vaucluse Public School. The year five students were Rachel P, Josh A, Nathan R and Mary-Rose B. They debated that 'homework should **not** be abolished' and were very convincing and won their debate. The year 6 students – Tom B, Brock L, Corey D and Matthew C debated that 'technology has **not** improved our lives'. Whilst the boys had a great rebuttal style, preparation and team work, it was extremely hard to persuade the adjudicator that technology had many negative effects as well. However, I would like to take this opportunity to congratulate our all- boy team on the wonderful success and many wins that they have had with me for the past two years. I wish them all the best in their high school debating careers and I will miss their hard work and efforts.

Selective Schools

Are you already thinking about your child's Year 7 placement in a selective high school in 2016? Selective high schools are government high schools that cater for highly achieving, academically talented students by offering an educationally enriched environment.

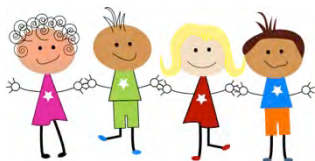

Application for entry to a selective high school in Year 7 in 2016 will be *online only*, from 14th October, 2014. You'll find more information about selective schools and dates for examinations here: <http://bit.ly/selectiveHS>

School Plan 2015-2017

Very soon we will be starting the preparations and consultative processes to formulate our next three year school plan for the years 2015-2017. The school plan is different in format to the previous ones and will include developing school vision, context and three strategic directions. Each strategic direction will have 5Ps (purpose, people, processes, products and practices) to guide the operation of the school, drive school improvement and improve student learning outcomes. During this term, I will be inviting your input to the 2015-2017 School Plan, I look forward to your input.

Rose Bay Public School Band Program

BE PART OF THE BAND!!

Rose Bay Public School are now inviting children to join the band for 2015. You can find an enrolment form at reception or visit our website

www.directionsinmusic.com.au

*The Demonstration for the year 2s has now been moved to the 5th November.

What to practise!

Senior Band this term is going to be looking at *Trumpets Sounding, What Makes You Beautiful* and *Evening at the Symphony*.

Junior Band this term is going to continue to work on *Dragon's Duel* and *Star Wars*.

Practice tip! - Practise for at least 20 minutes daily

Why 20 minutes? I find that this is a manageable time for beginners. It's not so short that you get nothing done and not so long that you end up feeling bored. Devote 5 minutes to warm-ups and 5 minutes to cool downs, just like a regular exercise. That means you must set aside at least 30 minutes a day for practice sessions. That's not too long, right? As your interest grows you'll find that your daily practice time will also extend.

Section of the week

This week it goes to the.....

Clarinet section!!!

Great work boys and girls. Keep practising!!

BREAKING THE SILENCE IN SCHOOLS PROGRAM

Strengthening the culture of respectful relationships through Australian Schools

Watch the 'White Ribbon Breaking the Silence in Schools' clip to learn more about this program and its importance. To watch, click

<http://www.whiteribbon.org.au/schools>

Rose Bay Public School, along with other CoSiES schools (CoSiES – Community of Schools in the Eastern Suburbs), are part of the White Ribbon schools program called 'Breaking the Silence'. White Ribbon is a campaign to prevent violence against women, and aims to change society's views about gender stereotypes, power in relationships, and respectful relationships.

This can be a very difficult issue to address at a primary school level, but White Ribbon is not only about drawing attention to violence and supporting those who experience violence, but also **prevention**. At a primary school level the focus is on **respectful relationships** between all of us, men and women alike.

PSSA SOCCER

Congratulations to the Junior and Senior PSSA Soccer Grand Final Winners!

PSSA Shirts / Singlets: Years 3 - 6

A reminder that all PSSA sports shirts and singlets (other than singlets used for Oz-tag this term) are to be returned urgently as they are needed for other students. These shirts are given to students on loan only when selected for PSSA teams. They must be returned at the end of each term.

All shirts and singlets previously used for soccer, rugby, cross-country and athletics need to be returned.

The only sports shirts which you should have at home are:

- white polo shirts with black collar and gold stripes down both sides (school sports shirts which you purchased);
- white or gold singlet being used for Oz-tag this term.

Please ensure that the shirts and singlets are returned clean and in a plastic bag labeled clearly with your child's name. They can be given to Mr Everett or to the front office - NOT to the Uniform Shop.

From the Library

The **annual stock take** is about to happen! Please return any **overdue books** asap. Notes will soon be coming home as a reminder.

The **Annual Bookmark contest winners** were announced recently. **Congratulations to:** Valentino 2W, Inez 2H, Jack 3G, Logan 3G, Emma 4L, Luka 4L, Paris 5H, Jordan 6J and Justine 6J. Each of these students received a certificate and a book of their choice. Their bookmarks will be printed to make library bookmarks for other students to use.

This term the library has been buzzing with *Kamishibai*. This is a form of traditional Japanese storytelling, with folktales coming alive through storycards and using a kamishibai theatre. This is becoming a 4th term feature which brings excitement for the students as in small groups they become storytellers and perform Kamishibai stories for their classmates. Here is a youtube clip (in Japanese) of a young storyteller, Yuta Sasaki, who is bringing Kamishibai back to the streets in Japan: <https://www.youtube.com/watch?v=GIZty1TZMU4>

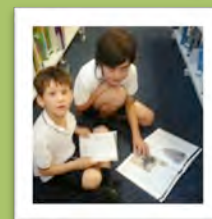

And of another professional storyteller, Genevieve Waller, reading one of the stories that we have in the library: https://www.youtube.com/watch?v=O_Ugic0n49M

Some photos of our own storytellers ☺

The Super Scholastic Book Sale is nearly here. On Thursday 13th November 2014 10.00am – 7.30pm is open to the public at the Sydney Olympic Park Sports Centre. All stock at least 50% off RRP!

The library has seen lots of **buddy reading** this term. It is inspiring to see the interaction between the older and younger students.

'I saw the amazing Opera House, the spectacular Harbour Bridge and happy Luna Park. I also waved at the smiling face at Luna Park.' - Noa-Rose Iw

'I loved our excursion' - Josie 1p

'after we strolled past the art gallery and sketched some buildings, I sketched some very unusual buildings, banks, hospitals and towers.' - Archie 1z

'we ambled along past the enormous castle where all the kings, queens, princes and princesses stay when they come to visit Sydney.' - Sofia 1z

'I felt happy at the end of the day' - Kitty 1p

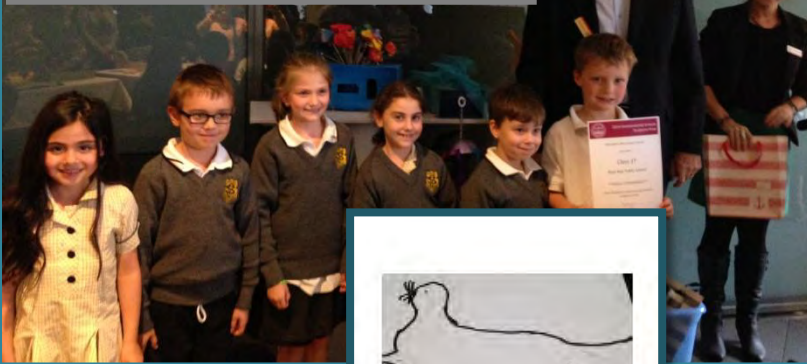

Seal of APPROVAL and Seal of DISAPPROVAL

IT recently entered the 2014 Woollahra Environmental Schools Sculpture Prize. The theme of this year competition was "Marine Life in Sydney Harbour".

IT enjoyed creating an environmentally aware sculpture using recycled and reused materials.

Some of the children from IT went to a special awards ceremony at Woollahra Council.

We got the 'Seal of APPROVAL' as our Seals were highly commended and we were awarded a book prize and certificate.

Thank you to Stirling's mum who cut our wooden seals for us!

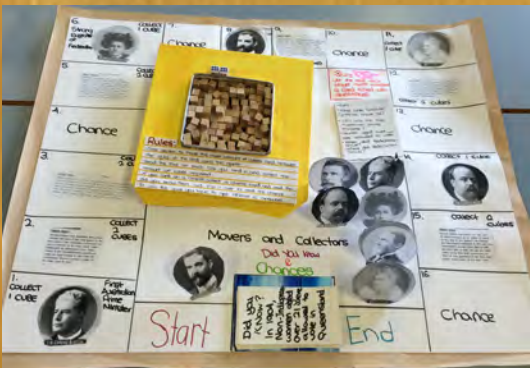

Fabulous Federation

Year 5 have been very busy learning about Australia's History and in particular our Federation.

The children 'united' and used their creativity and imagination to create their very own educational board games.

They had fun learning about key dates and key figures in Federation when playing each other's games.

29th October 2014

Dear Chess Students and Parents,

The school Chess Championship will take place on **Wednesday 19th November 2014**, in the school hall.

This event will begin at 10am and will last for several hours. The competitors will compete in a series of matches to decide the winner. There will be several categories of prizes; these will be dependent on the total outcome.

The winner of the event will have his/her name engraved on the Chess Shield alongside all of Rose Bay's top chess players.

Who Can Play?

Anyone can enter this tournament; however chess playing experience is **essential**. The day is considered a normal school day. Children will take their recess and lunch with them to the hall.

We encourage our young chess players to come forward and meet the challenge of playing against the older and more experienced chess players. This will be a valuable lesson and possibly a point of inspiration, as those new chess players will be able to see the future of Rose Bay Chess in action.

The tournament will be conducted using the Swiss System, therefore participants will largely compete against players of an equal number of points and therefore of an equal strength level.

Please complete and return the form below to Mrs Zappala by Friday 14/11/2014.
