### SCHOOL LEADERS FOR 2015

Last Friday, our 16 School Leader nominees presented their election speeches to Years 3 – 6, as well as their teachers. All nominees presented brilliant speeches that were thoughtful and articulate and gave great reasons why they should be a school leader. Votes were then counted and announced at Wednesday's whole school assembly. I am pleased to announce that the 8 school leaders for 2015 are:

Alix (5/6E), Gracie (5E), Tara (5H), Sunny (5H), Joshua (5E), Mark (5/6E), Spencer (5H) and James (5/6E).

These students will be presented with their leader badges at Presentation Day next Thursday, along with the announcement of boy and girl School Captain.

## P&C Picnic Under the Stars

The bright blue, sunny skies on Thursday were perfect weather for a picnic!

The evening kicked off to awesome sounds from our DJ Nic from Night Moods - who kept both the young, older and inbetweeners entertained. No event is complete without the obligatory Macarena and YMCA and Nic certainly didn't disappoint.

Loads of picnic blankets were sprawled across the grass area while the kids expressed their artistic prowess with chalk drawing on the playground. If you were unlucky enough to miss the night, you will no doubt be able to check out the art work for some weeks to come.....or at least until the next rains arrive!

None of this would have been possible without the assistance of some special people who kindly volunteered their time.

A huge thank you to those of you who helped out on the night. Cutting 65kg worth of watermelon and transporting 70 pizzas is no easy feat!

Thanks also to Mendy from Hatzolah, who bandaged and strapped the inevitable cuts, scrapes and bruises.

And lastly, thanks to everyone who joined in the fun. I'm sure you will all agree that it was a fantastic night and the buzz and laughter in the air was incredible.

I'm already looking forward to next year!

Karen Finnucane

### Rose Bay Public School Band Program

What a great year the Rose Bay Public School Band has had, with a number of performances to be proud of. Thank you all for a great year and all your hard work in making 2014 a success!

2015 looks certain to be even more successful with the increase in enrolments for Junior Band.

Both Junior and Senior Band have a number of performances to look forward to next year, so as soon as you get your new music start practising straight away in order to get the best result.

Performances to look forward to next year.....

*Hot Cross Bun Festival, End of Term Concerts, NSW Band Festival, and many more!*

#### What to practise:

Senior Band will be getting some new music for 2015, whilst the new Junior Band will get their starter packs in the New Year.

#### Practice tip - Remember, it's not a race!

Keep in mind that each person learns at varying speeds. Some are quick learners while others take time to progress. Don't be ashamed if you feel you're progressing slower than your classmates. The best musicians reached their level of success through determination and patience.

#### Section of the week

This week it goes to the.....***Percussion section!!!***

A group of our hard working Year 6 parents.

**Year 5 French students** have enjoyed working on the play “Le chat et la Lune”, learning new language structures and expanding their vocabulary. They recently performed the play **IN FRENCH**, demonstrating not only their impressive language skills but also their acting talents!

« Au secours, au secours! La lune est tombée dans l'eau! »

*Help, help ! The moon has fallen into the water !*

The three narrators

« La lune ne peut pas tomber dans l'eau, mes amis. La lune est en haut dans le ciel tout le temps ! »

*The moon cannot fall into the water, my friends. The moon is up there in the sky all the time !*

Final curtain call!

## The Drop

Could you create a package to stop a fragile object being broken when dropped from a school window? Year 4 had a major Science project recently involving just that...

### The Year 4 Package Criteria

Criteria
The materials needed to be inexpensive.
They needed to be sustainable (long lasting) i.e. reusable, recyclable or biodegradable.
The volume of the package needed to be less than 1000 cubic centimetres.
The fragile object needed to be successfully removed from its packaging less than 3 minutes after the drop.
The fragile object needed to survive the drop intact.

Here are some photos of the Year 4 Drop in action!

The SRC are working together to make a presentation about correct usage of the bins in the school playground.
