COMMUNITY PARTNERSHIP DEAL EXTENDED

Prior to the school holidays, 1st Street Home Loans and Hart Estate Agents extended their community partnership with Rose Bay Public School for a third consecutive year.

Former Rose Bay PS student Jeremy Fisher (1st Street) and Alex Hart (Hart Estate Agents) were excited to jump onboard again, and for their respective \$5,500 cheques to go towards more library resources and home readers.

"1st Street Home Loans are proud to be a community partner of Rose Bay Public School," Fisher said. "This is our third year of partnership and we are delighted to be able to continue to work with such a fantastic school. Supporting the community is such an important aspect of our business and we look forward to a longstanding relationship with RBPS."

Hart echoed Fisher's sentiments. "I am thrilled to once again be supporting Rose Bay Public School and I wish to congratulate all of the staff on creating a warm and wonderful learning environment."

"I have spent many hours helping my children with their readers and can see first hand how incredibly useful these resources are to all the students. As such, I am so happy our contribution will make a difference to benefit the wider school community, and I look forward to some new material and their scintillating plot twists."

Principal Mrs O'Neill continues to be appreciative of all the community support.

"Our school is constantly increasing resources in our library and development over the last couple of years had been so beneficial for the students," Mrs O'Neill said. "The P&C fundraisers and contributions by Jeremy and Alex help every student and we are very grateful."

P&C News

Congratulations to all of the star students, staff and parent volunteers on a wonderful performance Numero Uno.

Father's Day is just around the corner and the P&C are organising a breakfast event that promises to be loads of fun for all the dads and kids.

It's on Friday 5 September 7:30 am to 9:00 am.

Tickets are \$20 per dad (\$15 for each additional adult and kids are free) will be available to purchase via Flexischools by the beginning of next week.

As always we need volunteers on the day so please contact us on rosebaypc@gmail.com with your contact details if you are available to help out. Mandy Supree will contact you and confirm jobs and times before the event.

Big news is that our much loved Picnic Under the Stars will be back on Thursday 20 November from 5:30 to 7:30. More details will follow but please book the date in your diary.

The next meeting of the P&C is Tuesday 12 August at 7:00 pm in the School Library. Look forward to catching up with you there.

Hope you are all enjoying the sunshine! See you at the K-2 Athletics Carnival this Wednesday.

Lisa Cahill
P&C President

A few safety reminders

A reminder that the climbing equipment is out of bounds before and after school for all students.

Toddlers and pre-schoolers should not use this equipment at any time as it is designed for older children who must be taught how to use the equipment safely.

We have had a few nasty falls from the equipment during these times and we ask that the community support us in this safety matter.

Similarly, students should go straight home when school concludes at 3:20pm. There should be no handball or running around. Should any parent or carer be running late, please contact the school and we will direct the student to the office area to wait.

Thank you for your assistance with these important safety matters.

Kindergarten

FLU SEASON

Flu season is here!

Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:

- Anyone who is sick with influenza symptoms should stay home until their symptoms are gone.
- Cover the nose and mouth with a tissue when coughing or sneezing. Throw the tissue in the garbage bin after use.
- Wash hands often with soap and water, especially after coughing or sneezing. Alcohol-based hands cleaners are also effective.
- Avoid touching eyes, nose or mouth. Germs spread that way.

If you or your child develops influenza-like illness, seek the advice of your family doctor as you would with any other illness.

The best place for your sick child is at home.

Stewart House Collection

Stewart House is the main charity supported by Rose Bay.

Last week your child brought home a collection bag.

Please show your support by returning the Stewart House charity clothing bags to the school hall by Wednesday 20th August 2014. Please fill them with good, clean, wearable clothing, shoes, sheets or blankets.

2014 Athletics Carnival Results

On Tuesday 29th July, our Annual Primary Athletics Carnival was held for students in years 3-6 at E.S Marks Field. The carnival was a great day for all involved, with great athletics performances on display as well as fantastic sportsmanship. Students had the opportunity to participate in many events including various running races, high jump, long jump and novelty events. Getting through our very full program would not have been possible without our wonderful teaching staff who worked non-stop on the day to make sure it ran smoothly. A big thank you must go to the parents who volunteered to time races in the morning – your efforts are much appreciated. Thank you also to the parents, family and friends who came along and supported the event.

Congratulations to all children at Rose Bay Public School who participated at our Annual Athletics Carnival. The athletes listed below deserve a special mention for their outstanding results on the day. The first three athletes placed in all 100m races and the first two athletes placed in the 200m and 800m races will be representing Rose Bay at the District Athletics Carnival in a few weeks. Best of luck to our District athletes.
