Ethics classes at Rose Bay Public School

Dear parents and carers,

Could you be an Ethics Coordinator for Rose Bay Public School?

Our current ethics coordinator is moving on at the end of this year and we are seeking a volunteer so that classes can continue in 2016. Ethics classes commenced at Rose Bay Public School in 2011 and are currently available for children from kindergarten to year 6 in stages Early Stage 1 to Stage 3.

The ethics coordinator organises the training and background checks for the teachers, communicates with school staff for classroom arrangements, and liaises with Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the program.

This role provides a great opportunity for a working parent who might be unable to volunteer during school hours. The time is flexible, requiring approximately 1-2 hours per week, predominantly online.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit www.primaryethics.com.au or contact our current Ethics Coordinator – Danelle Denny on 0419 253 788 or at danelle@efel.net.au.

Rose Bay Public School Band Program

Welcome back to term 4 and what a great term of music making we have ahead of us!

All band rehearsals and tutorials are now under way and you should all have the music you need for this term.

Remember to have everything you need for your tutorials and rehearsals so that we can get working straight away on your new music.

Don't forget to visit the schools webpage on our website at - www.directionsinmusic.com.au

Upcoming performance!

- Band Spring Soiree – Junior & Senior Band, Week 8, Tuesday 24th November
- Band rehearsals and Tutorials last week – Week 9 (no rehearsals or tutorials in week 10)

What to practise!

- **Junior Band** – You will be starting to look at page 23 in the Tradition of Excellence Book in preparation for the more challenging repertoire you will be getting next year.
- **Senior Band** – Rock to the Max Mr Sax, and Lean on Me

Practice tip – Use a metronome!

The metronome. That pest that lives on your music stand, taunts you while you play and usually gets left out of your instrument case. Typically when I play pieces at half speed I find strange mistakes, glitches or hesitations in my playing. Sometimes taking it at a slower pace can expose issues you didn't even know were there. The metronome is also useful when practising technical work. Many students aren't aware that their scales and arpeggios are not rhythmically secure.

Section of the week!

This week it goes to the.....**Flute section!!!**

Welcome back to Term 4!

Year 5 Camp

In Week 9, we were lucky enough to visit the Great Aussie Bush Camp. We had three days filled with exciting activities that challenged us mentally and physically. We experienced the thrill of abseiling, the puzzling nature of rock-climbing and overcoming our fear of the giant swing. We spent quality time with our friends and practiced teambuilding and leadership skills. – Grace

“Singing songs, creating memories, facing our fears. Camp- its what brings us together.” Leah & Matthew

Year 5 Camp

"The five keys to success make us do our best. We applied them throughout camp from tears to fears to happy cheers. We will never regret the memories kept & will cherish them forever."
Allegra & Talja

"Home sickness may come, And it's scary for some, Don't worry you can look to your peers, It is camp, so face your fears. Marshmallows are the best, Just before a good nights rest, So it's time to step out of your comfort zone, And get rewarded with an ice-scream cone."
Luka
