

RUGBY LAUNCHES SPORTATHON COUNTDOWN

Rose Bay has welcomed many fabulous guests over the years to launch our Sportathon with the students, and this week was no different.

Wallaby and NSW Waratahs player Nick Phipps came to Wednesday's assembly to officially start the countdown to this year's Rugby World Cup-themed Sportathon.

Phipps, who has 28 Test caps and a Super Rugby title to his achievements, spoke about rugby, his career and how he prepares for matches... before giving advice to all the students ahead of their big sporting event - hydrate, bowl of pasta the night before and enjoy the day.

He also brought along last weekend's NSW Waratahs game ball signed by both captains in addition to tickets to an upcoming Waratahs game to add to our prizes in the draw.

Now is the time for you all to go out there and find your sponsors, this fundraiser is all about supporting the school with funds to buy much needed technology.

**The two-week countdown to the Sportathon is on...
Tuesday June 2 2015**

**Thank you
Nick Phipps
for visiting
Rose Bay
to launch
the 2015
Sportathon**
