CANTEEN CORNER

Mexican Monday is a hit!

- The special for the start of the week is Mexican Mondays at the canteen and the Nachos are very much growing in popularity. We make our own bean & salsa mix from scratch, with overnight soaked beans, fresh tomatoes, grated vegetables, sweet corn, herbs & spices. This dish offers one of your five servings of vegetables and plenty of fiber too.
- Our other specials are also popular. Today we almost sold out of our Asian vegetable fried –like rice. Take a look at our weekly special below.
- On a sad note, our ever-popular Cocoa & Strawberry Crush Milks are no longer available. Freedom Foods have stopped making the product all together and we have been unsuccessful in changing their minds! We are currently sourcing an alternative so watch this space...
- This year, we have found that some parents believe they have made an order for their children's lunch only to be disappointed that our system does not reflect this. Flexischools, the online ordering system has advised us that each window of the ordering process must be completed to the very end to ensure the order goes through.
- Many parents ask if online is the only way to use the canteen, please note this is not the case. Orders can be made on bags and paid with cash at the window and we also serve children at the window throughout the day. It's a good way to help them understand the canteen is a shop as well as the value of money.

Hooray, hooray for Grandparent's Day!!
(Grandparents or other special people)
(Kindergarten Only)

Wednesday 16th March 2016

We are really excited about Grandparent's Day! Here at Rose Bay PS our grandparents hold a very special place in our hearts and the Kindergarten children love nothing more than to proudly share their learning experiences with grandparents or other special people in their lives. The day begins with an invitation for grandparents to visit the Kindergarten children in their classrooms. After this, grandparents can look forward to being entertained with songs in the hall, followed by morning tea*.

*There will also be an opportunity to purchase books to donate to the library in your grandchild's name!!

Student Attendance

The NSW DEC policy for Student Attendance in Government School Procedure has been recently updated.

Part day absences:

Doctors, dentists, physiotherapists etc. appointments, when possible, should be made **outside of school hours**. Students should be accompanied and signed out by a parent or carer.

For late arrivals (and early departures) to school, students should be signed in by a parent or carer. It is the responsibility of the parent/carers to provide an explanation to the school.

Full day absences:

If your child is going to be absent please phone/email the school by 9.30am.

Extended Absences (travel, holiday etc.)

Family holidays and extended travel are no longer considered under the Exemption from School - Procedures. Travel outside of vacation period is now counted as an absence for statistical purposes. If your child is going to be absent for an extended period, a departmental form Application for Extended Leave— Travel needs to be completed and returned to the School. Copies are available at the School Office. If the Principal considers that the travel is appropriate during school term and the application is accepted, the absence will be recorded as “L” – Leave.

Travel documentation, such as travel itinerary or e- ticket, is required and should be attached to the application. Please inform the school of your plans ASAP so that the leave can be assessed in plenty of time. Parents are encouraged to take holidays with their children during school vacation periods.

Application for Exemption from Attendance/Enrolment at School

For students participating in the entertainment industry, elite arts or elite sporting programs an Application for Exemption from Attendance/ Enrolment at School form must be completed and submitted to the principal for approval prior to commencing the program. Again, please submit your application, as soon as possible.

STUDENT ATTENDANCE IN GOVERNMENT SCHOOLS

Parents must ensure:

- 2.1. their children of compulsory school age are enrolled in a government or registered non- government school or, registered with the Board of Studies, Teaching and Educational Standards (BOSTES) for Home Schooling.
- 2.2. their children who are enrolled at school attend every day the school is open for instruction.
- 2.3. they provide an explanation for absences to the school within 7 days from the first day of any period of absence through means such as telephone call, written note, text message or email. The 7 day timeframe for explaining absences is a requirement of the Education Act (1990).
- 2.4. they work in partnership with the school to plan and implement strategies to support regular attendance at school. This includes communicating with the school if they are aware of issues impacting on their child's attendance or engagement with school.

The Tell Them From Me student feedback survey

I am delighted that this term, our school, like many others in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

The survey is a great opportunity for our students to provide our school with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help improve how they do things at school.

I want to assure you that the survey is confidential and school staff will not be able to identify individual students from their responses. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 14 March and 8 April. Participating in the survey is entirely voluntary.

A consent form and a list of frequently asked questions (FAQs) for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the consent form to school by **Thursday 10th March**. The FAQs and copies of the consent form, including translated consent forms, are available from the website above.

Please be reminded that all visitors to our school must sign in at the office on arrival.

STUDENTS FROM ROSE BAY PUBLIC SCHOOL WERE AMONG THE EMERGING GENERATION OF LEADERS TO TAKE PART IN THE NATIONAL YOUNG LEADERS DAY AT ALLPHONES ARENA AT OLYMPIC PARK ON MONDAY THE 29TH OF FEBRUARY.

THE EVENT, WHICH ATTRACTED OVER 6,000 STUDENTS ALONG WITH THEIR TEACHERS AND PRINCIPALS FROM PRIMARY SCHOOLS ACROSS THE STATE, WAS HOSTED BY THE HALOGEN FOUNDATION.

"THE FOCUS OF THE EVENT, WAS '**MASTER THE LITTLE**'. IT'S THE LITTLE THINGS THAT ARE THE STEPS TO GREATNESS, OR THE STEPS TO BUILDING SOMETHING OF GREAT WORTH OR THE STEPS TO JUST BEING A PERSON THAT SOMEONE WANTS TO FOLLOW. A GREAT LEADER WHO HAS IMPACT IN THE WORLD OR JUST AS IMPORTANTLY, THEIR IMMEDIATE SURROUNDS, IS SOMEONE WHO UNDERSTANDS THAT DILIGENCE, CONSISTENCY, KINDNESS, INTEGRITY AND THAT DAY TO DAY INTERACTIONS WITH PEOPLE AND LIFE ARE FUNDAMENTAL. THOSE WHO CAN 'MASTER THE LITTLE' WILL ALWAYS MAKE A DIFFERENCE IN WHATEVER THEY DO.

THE NATIONAL YOUNG LEADERS DAY IS AN ANNUAL EVENT FOUNDED IN 1997 TO DEVELOP STRONG LEADERSHIP VALUES AMONGST YOUNG AUSTRALIANS.

THE PROGRAM CONSISTS OF KEYNOTE TALKS, MULTIMEDIA PRESENTATIONS AND INTERACTIVE LEARNING THAT SEEKS A RANGE OF SPECIFIC OUTCOMES FOR YOUNG PEOPLE WHO ASPIRE TO LEAD THEMSELVES & OTHERS WELL.

Tell Them From Me student survey

Frequently Asked Questions (parents and carers)

Centre for Education Statistics and Evaluation

1. What is the *Tell Them From Me* student survey?

The *Tell Them From Me* student survey asks questions about factors that are known to affect academic achievement and other outcomes. It aims to help improve the learning outcomes of students. The survey is designed to measure, assess and report insights from the student point of view at the school and system levels. The focus of this NSW survey is on student wellbeing, engagement and effective teaching practices.

2. What kind of questions will the survey ask?

The survey questions relate to the following 18 measures for **primary schools**:

Participation in sports	Behaviour at school	Effective learning time
Participation in extra-curricular activities	Homework behaviour	Teaching relevance
Sense of belonging	Interest and motivation	Teaching rigour
Positive relationships	Effort	Experience of being bullied
Valuing school outcomes	Skills and learning challenge	Advocacy at school
Positive teacher student relations	Expectations for success	Positive learning climate

The survey questions relate to the following 22 measures for **secondary schools**:

Participation in sports	Homework behaviour	Expectations for success
Positive learning climate	Participation in clubs	Behaviour at school
Experience of being bullied	Truancy	Sense of belonging
Interest and motivation	Effective learning time	Aspirations: finishing Year 12, University, TAFE
Positive relationships	Effort	Teaching relevance
Wellness	Valuing school outcomes	Positive learning climate
Teaching rigour	Advocacy at school	Advocacy outside school
Positive teacher student relations	—	—

3. How have schools been selected to take part?

The survey is open to all NSW government schools at no cost to them. Your child's school has decided to participate.

4. How will taking part in this survey benefit my child's school?

The *Tell Them From Me* student survey will provide school principals and school leaders with insight into student engagement, wellbeing and effective teaching practices at their school, from the perspective of students.

Data collected from the survey responses are quickly compiled into reports for school leaders. Principals can then use this information to help them identify emerging issues and plan for school improvement.

5. What does my child need to do to participate in the survey?

The survey typically takes less than 30 minutes and is conducted entirely online through a secure website operated by the survey developers, *The Learning Bar*. Schools will make computers or laptops available so that students can complete the survey during school hours.

6. Does my child have to participate?

No, participation in the survey is optional. Your child will not take part if either you or your child do not wish. If, during the survey, your child is uncomfortable, he/she can choose to stop the survey at any time. The majority of questions in the survey can be skipped. Parents/students have a right to apply for access to, and correction of, a student's information.

7. Will the school be able to identify my child from their responses?

Staff in schools will not be able to identify individual students from their responses. To ensure confidentiality, participating students will receive a unique username and password. Where

fewer than five students respond to a question, the results will not be made available.

8. What sort of analysis will be done of the survey data?

Once the surveys are completed by students, reports are prepared and in most cases are available to schools within three business days. School leaders can use the data to better understand the experiences and views of students at their school.

The results will help all schools better understand the relationship between wellbeing, engagement, effective teaching and student learning. Results from CESE's analysis of this data will also help teachers and principals discuss what works to improve student outcomes. This supports the Department's continuing focus on quality teaching and leadership. The data will be retained for future analysis to help us better understand the nature of student engagement and wellbeing over time.

9. Can all school students participate in the survey?

The primary school survey is designed for students in Years 4 to 6. Schools are encouraged to allow as many students as possible in these Year groups to participate. Secondary schools are encouraged to allow as many students as possible in Years 7 to 12 to participate.

10. When will the *Tell Them From Me* survey happen?

The surveys will be conducted in all participating schools at the end of Term 1 and (optionally) Term 3.

What is CESE?

The Centre for Education Statistics and Evaluation (CESE) is part of the Department of Education.

CESE has been established to improve the effectiveness, efficiency and accountability of education in New South Wales.

CESE will identify and share what works, creating new opportunities to improve teaching and learning across all of education.
