Raising Your Child in a Digital World

When: Next Tuesday 24th October 7pm

Where: Rose Bay Public School

A parent presentation by Dr Kristy Goodwin, designed to give parents practical strategies to support your child in navigating a digital world.

Kristy dispels the myths and misinformation about how technology is shaping childhood and you'll learn about the seven essential components that kids need to thrive both online and offline.

Kristy will be coming to Rose Bay Public School on Tuesday 24th October 2017. The talk will commence at 7pm in the school hall. There will be student sessions during the day for Years 5 & 6.

Tickets for the evening session are \$10 and available through Flexischools.

School Uniform

We believe that wearing school uniform promotes pride in our school and sends a strong message to the community that we have high expectations and values. Now that the weather is warming up, please ensure that students are wearing their summer uniform throughout this term.

We appreciate parent and carer support in sending their children to school, dressed smartly in correct school uniform. This includes black schoes and our RBPS hat. Please ensure your child's full name and correct class are on all of their belongings.

Canteen Corner

Spring is Here!

Now that spring is well and truly here, we've spruced up the menu with some new items.

We have a delicious new snack item called Messy Monkeys. They are wholegrain bites that are gluten free, full of fiber and made from sorghum & quinoa. They taste great and we have an inkling they are going to become a canteen favourite in no time!

We have added a Macaroni Pasta Bake to the daily specials, tossed in tomato, oregano and finely grated zucchini for a bit of colour and fiber, then topped with cheddar cheese and baked in the oven. You'll find it on the menu on Tuesdays.

For something lighter, we offer a simple chicken salad we make with fresh tomato, cucumber, lettuce and oven baked chicken thigh and drizzled with olive oil and a dash of vinegar. It makes for a perfect spring lunch.

Coco Chills are in the fridge; they are canned coconut water with a splash of fresh juice. They come in two flavours, Pineapple & Lime as well as Mango...very refreshing on a warm spring day.

In the freezer we have found our pure fruit juice cups to be super popular, even through winter. This Friday we will be adding a new flavour...pineapple, so keep a look out for it.

In week 4, we will also be adding frozen pineapple rings to help keep students cool and help to get some more fruit into their day. Naturally sweet, we simply wrap them and pop into the freezer for a healthy frozen sweet treat. Why not try it at home?

Applications for 2018 School Student Transport Scheme (SSTS) and Term Bus Pass (TBP) travel entitlements are now open.

In coming days students who hold an SSTS entitlement and are changing grade bands i.e. going from year 2 to 3 or year 6 to 7 <u>and changing</u> <u>school</u>, and students whose entitlement was approved under a medical condition, will receive notification by email or post informing them of the pending expiry of their entitlement. TBP holders will also receive notification.

Students enquiring about pending cancellation should be advised to go online to <u>https://apps.transport.nsw.gov.au/ssts/updateDet</u> <u>ails</u> to update details/make application for next year's entitlement.

Application needs to be made before 31 December 2017 to ensure their entitlement is updated and their current card is not cancelled. If application is made after the expiry of their entitlement (31 December) the system will automatically cancel their card and a new one will need to be issued.

Please note: Students who are changing grade band and are <u>remaining at the same school</u> will not receive notification and <u>do not need to reapply</u> (the system now automatically validates a student's ongoing eligibility if at the same school and going from infants to primary or primary to secondary). Where a student meets the new eligibility the system will automatically update their entitlement and card.

Students in the Opal area applying for a SSTS or TBP entitlement for the first time will receive their card (posted to the nominated address) a week or two before the commencement of 2018 classes. Please let students know new cards for 2018 are not posted in 2017 or during the Christmas / New Year period.

ROSE BAY PUBLIC SCHOOL ART SHOW CHILDREN'S OPENING

Ms GABRIELLE UPTON (Vaucluse—Minister for Environment and Heritage and Minister for Local Government): I move:

That this House:

- 1. Notes that on the 24 August 2017 the Member for Vaucluse attended Rose Bay Public School's children's art show opening.
- Notes how great it was to see each student create an amazing piece of artwork to match this year's Art by the Bay theme of 'Taking Shape'.
- Commends the school on its commitment to encouraging children to discover their artistic talent and nurturing it in a supportive environment.
- Thanks Principal Gai O'Neill, Deputy Principal Lynn Young, Assistant Principal Rebecca Jones and school captains Thomas and Jemima for inviting me to officially open the art show.

Visiting Author and Illustrator Gregg Dreise

Kindergarten, Stage One and Two were thoroughly entertained by our wonderful visiting Author and illustrator Gregg Dreise. He retold stories and taught the students important techniques to assist with storytelling. Students enjoyed hearing and learning some words from the Gamilaraay and Yuwaalaraay languages spoken across his family's county in south-western Queensland and north-western New South Wales. He incorporated the wonderful sounds of his digeridoo and sang with his guitar in his storyteling.

Raising Your Child in a Digital World ESSENTIAL INFORMATION FOR PRIMARY PARENTS

Today's kids are growing up immersed in a world of screens.

As parents we've been faced with the enormous task of raising 'screenagers'. We're bamboozled by the confusing and often conflicting information about how technology is impacting on kids' health, learning and wellbeing. Yet we know that our kids will inherit a digital world, so banning or avoiding screens isn't the solution!

Children's digital wellness expert (and mum!) Dr Kristy Goodwin helps parents find the best ways to use technology to support, not stifle kids' health, learning and development. She arms parents with facts, not fears, about what today's kids (0-15 years) *really* need to thrive online and offline in a digital world.

> In this practical seminar Dr Kristy arms parents with:

// Guidance about **how much** screen-time is healthy and simple tips for managing screens at home (so screen-time doesn't end in scream time & you won't have to endure techno-tantrums!);

// Reasons why screens captivate our kids and can hijack their attention (there's a neuroscientific reason) and simple strategies to prevent techno-tantrums;

// Facts, not fears, about how technology is changing the ways kids learn and develop (including their sleep, attention spans and relationships, physical health and development);

// Practical ideas about how families can use technology in healthy and helpful ways at home (so you can ditch the guilt and guesswork for good!).

// Practical ideas about **healthy media habits** (to protect your kids' sleep habits, vision, hearing, posture and attention spans).

// Solutions to your **'digital dilemmas'**. There will be opportunity to ask Dr Kristy your pressing questions and concerns about your child's technology habits.

Dr Kristy Goodwin is a leading children's technology and development expert (& mum who's endured her kids' technotantrums!). She takes the guesswork and guilt out of raising kids in the digital age by translating the latest research into practical and digestible information, tips, and tricks for parents so that they can feel confident and assured that they're raising healthy, happy and balanced kids in the digital age... without telling you to ban the iPad or unplug the TV.

Date: Tuesday 24th October 2017 Location: Rose Bay Public School, School Hall Suitable for: parents of children aged 3-12 years. Time: 6:45pm for 7pm start. Concludes 9pm RSVP: by 3pm, 24th October 2017 via Flexischoolshttps://www.flexischools.com.au/

DIRECTIONS IN MUSIC | Inspire. Create. Perform.

Dear RBPS Junior Band Parents and Musicians,

Congratulations on your continued efforts with your instrument playing. You should all be very proud at how much your instrumental skills have developed and progressed throughout this year!

Below are details for our performance schedule this term.

Tuesday 31st October - Junior Band Halloween Concert (Week 4)

This concert is very special as it is only for Junior Band Members! At this concert all Junior Band musicians also have the opportunity to play a solo as well as playing with the band. It will be a short concert but will hopefully feature all members of our band playing solos! If you would like to play a solo in the concert, make sure you start to work with your tutors this week to decide on which piece and start to practice it if you haven't already. As this concert falls on Halloween, students are encouraged to dress spooky for the occasion!
