I ♥ RBPS

December is the time to reflect on the events of the year that has passed – and how amazing has this one been!! There are so many who contribute to the success of our school.

Thank you to the P&C representatives and subcommittee reps for their time and energy throughout 2019. A special thank you to the P&C president, Jackie Bando, for her tireless efforts.

To all our parent and grandparent volunteers thank you also.

Our teaching staff do an amazing job and I know many of you will thank them personally in the coming days. I also wish to publicly acknowledge all of our teachers for their ongoing commitment and dedication to student learning.

Thank you to the incredible and supportive admin team, whose administrative and organisational skills enable teachers to focus on student learning.

I would be lost without the leadership team and the manner in which they continue to cultivate a positive learning environment for both staff and students. Thank you!

Finally thank you to all of you and your enthusiastic and diligent children. I hope you all have a wonderful safe holiday break and take some well-deserved time to enjoy being a family. I look forward to welcoming all of our returning and new families in 2020.

Farewell Year 6

To the graduating class of 2019, we wish you all the very best as you continue your learning journey. We know that you will make us proud and go on to achieve great things.

In My Office

I love my visits from the Kindergarten students, who have been reflecting on what they have achieved so far at school. I loved hearing their stories called “My First Year at School. Look at how far we have come!” Students wrote about all that they have learnt this year, including reading, writing, using iPads, playing and so much more. They also know about using capital letters, finger spaces and full stops. They told me how much they love hand writing and telling their Rose Bay stories. Thanks Kindergarten for sharing your stories and visiting me in my office. You all made my day!

Years 5 & 6 Hebrew Students

Congratulations to the Years 5 & 6 Hebrew students for receiving a “Highly Commended” award for their Hebrew movie called “The King’s Wisdom” at the Modern Languages Linguafest Competition at the Event Cinemas last week.

French Lessons at Rose Bay Public School Years 3-6

At Rose Bay PS we offer French lessons before school for interested students in years 3 to 6. Please visit <https://www.ecolemelodie.com.au/> to enrol your child for 2020.

Our Teacher Daniella Barda has fused her experience as a French native-speaker, jazz vocalist and language teacher to create and deliver a vibrant and dynamic French language program in Primary schools across

Sydney’s Eastern Suburbs.

Our Primary school program integrates songs, games and exercises that help the students develop their communication and understanding in French and includes a play performed by the students at the end of the year.

P&C News

After the huge success of our Comedy for a Cause social event and fundraiser in June this year, we have had numerous requests to run another parent only Comedy evening.

Please diarise Saturday 21 March 2020.

This time, we will be running an online auction to enable even those who can't attend on the night, the opportunity to bid on items in the lead up to the Comedy night. This will give us greater opportunity to raise money for the school. We are calling on all our parents and carers to help us by contributing items for our auction. If you have a business or contacts that could contribute, we would greatly appreciate it.

Alternatively, vouchers from local businesses and services, bottles of alcohol or any other items of worth would all be welcome. (Please note that we cannot accept 2nd hand goods.) Please drop items at the school office any time from the start of Term 1. For any questions, please email rosebaypc@gmail.com

Why kids & parents love Code Camp!

Rated 4.9 on ProductReview.com.au with over 400 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. insisted on wearing hat and t-shirt for the next 2 days. Post-camp, he has continued to build on his game and now shares it with his school friends and family."

Stuart, Victoria
★★★★★

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable..."

Katie, Queensland
★★★★★

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."

Jeffrey, Western Australia
