Look Who's Talking about Rose Bay

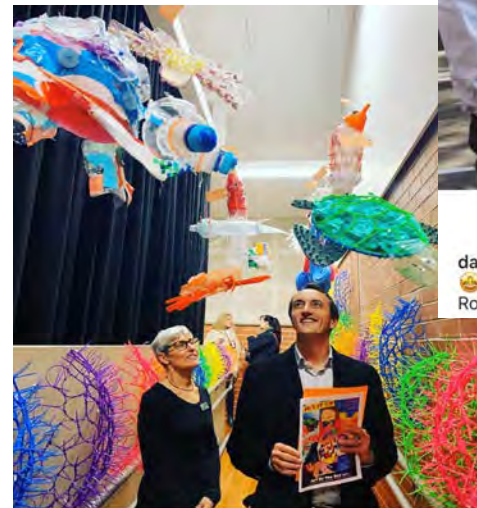

It was lovely to be able to welcome Costa and Julia Zemiro to Rose Bay PS recently, to film a segment for 'Julia Zemiro's Home Delivery' which aired early October. Costa has a long standing relationship with our school (being an ex student) and one that we truly value. He brings so much energy and enthusiasm to our school and we all benefit from his zest for life. He has contributed significantly to the gardens and greening the school, personally

undertaking much of the work. This a freindship that we hope goes on for many years to come. You can view the full episode on ABC iview.

And this.....

Did you see the wonderful photos showcasing the Rose Bay Public School Art Show? The Art Show is an outstanding Rose Bay PS event and we truly appreciate the support from far and wide.

davesharmaforwentworth Take a look at THIS beauty.. 😍
😍 Oh, and there's that amazing artwork I bought from Rose Bay Public School's art show.. 😊

It has been said many times but the caliber of work, its presentation and community involvement are all to be admired. Thank you!

In My Office

Term 4 and students continue to be busy with their work and achieving their personal learning goals.

The highlight for me is when students share their creative work. This week was all about writing. Not only are they focusing on the structure of their text (full stops, capitals, paragraphs and spacing) but also thinking how to engage the reader. I enjoy hearing their stories.

Outstanding work!
