School Newsletter – 31st July 2019 Term 3 Week 2

I hope that you all had a wonderful holiday break and have returned ready for another great term. Our school is a busy place and we encourage parents to stay on top of all that is happening via the school newsletter or the school calendar which is available on the Rose Bay PS website.

I ♥ RBPS

The countdown is on for our much-loved art show. The excitement is building as the classrooms fill with art and other wonderful creations. More detailed information follows on the next page.

On returning from holidays, many of you would have noticed the exciting work taking place. An extensive amount of work has commenced to further improve the look of our school.

A beautiful addition to the playground will be the tiered seating and planter box currently being built outside the hall. This will provide much needed seating and shade as requested by our students.

Two new security gates on Albemarle Avenue and Albemarle Lane are near completion.

Three new interactive whiteboards have been installed in Block E, further enhancing our excellent technology program and building upon the outstanding opportunities afforded to students in this area. A great big thank you to the P&C for their part in raising funds via the sportathon.

The roof between the canteen and administration offices has been replaced with white colour bond sheeting improving the look and feel of this space.

This list is by no means exhaustive, and I know that you would agree with me that the school certainly looks fresh and inviting. We appreciate your patience whilst works continue and are finalised. Stay tuned for some other exciting developments taking place this year.

Having students share their work with me, is a highlight of my week and one of the top rewards of my job. The chance to see and hear the students discuss their work reflects on the wonderful teaching happening in our classrooms. Recently, I have had the privilege of seeing work involving student collaboration and problem solving; creative solutions using technology and iPads; analytical thinking in mathematics and well thought-out writing. Well done to all those students who have visited me recently.

Be Kind

When collecting or dropping off children at any time during the day, please be mindful of our neighbours. Please do not park across or in resident's driveways. We would ask that you park in designated parking only. We wish to minimise our impact on our neighbours. Thank you in advance for your cooperation.

ICAS Tests 2019

This year ICAS has made several changes to its testing procedures. Mathematics and English online testing will be available for interested students in Years 3-6. These tests will be hosted at Rose Bay PS before school, starting at 8.15am and finishing before classes begin.

English tests will be held on Monday 9th September at 8.15am. Mathematics tests will be held on Wednesday 11th September at 8.15am.

The process for parents to register for tests has also changed. It is now a parent responsibility to register and pay for the test online with the UNSW. Parents can access this service by typing pay.unswglobal.com.au into a browser.

Parents will require a unique access code to purchase assessments registered by the school. **Parents will need to register by August 14th.**

Rose Bay Public School's unique access code is: **a02514cb50**

For further information regarding ICAS tests please go to <https://unsw.global/icas>.

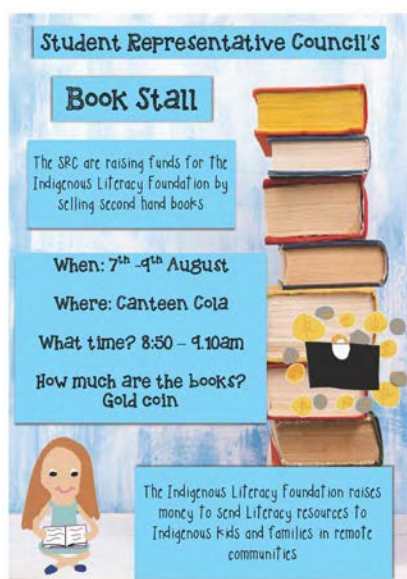

Enrol now for Kindergarten 2020

We are taking enrolments for our Kindergarten students commencing in 2020. Enrolling your child now assists the school to plan for Kindergarten numbers for next year.

Please refer to our school website <https://rosebay-p.schools.nsw.gov.au/about-our-school/enrolment.html> to book a school tour.

If you have any questions, please email the school office at rosebay-p.school@det.nsw.edu.au or call us at 9371 4800

We look forward to welcoming your child to Rose Bay Public School next year.

A few words from the canteen...

NEW HEALTH GUIDELINES

This term sees strict new healthy canteen guidelines come into effect for all public schools across NSW. Fortunately, the canteen already sits within almost all of the guidelines, so just a couple of small changes will take place.

** **Pretzels** will no longer be sold from next week due to the high salt content.

** **Nachos** on Tuesdays will be served with warmed **soft tortilla strips** rather than corn chips.

NEW ITEMS

Fruit Snack Bars by Messy Monkeys \$1.30

Sparkling Fruit Juice Bombs in Apple Blackcurrant & Orange Passionfruit \$3.00

Vanilla Coconut Milk \$3.50
