School Newsletter – 11th September 2019 Term 3 Week 8

You may have noticed the new timber seating currently being constructed in the school playground.

Earlier this year we asked the children for their input into ways in which the playground could be further improved. (The information they provided is currently being collated and a playground master plan developed.)

One of the biggest issues that students identified was improved seating and more of it! This new seating along with the tiered planting and seating adjacent the hall will dramatically increase the seating on offer and addresses needs raised by the students themselves.

Father's Day Movie Night

What a great success and such a fun evening! Thank you to all of our parent volunteers on the night and a big thank you to the P&C sub-committee for their organisation. It is events such as these that contribute to our community and make our school such a special place.

SRC News

An outstanding result!

Thank you Rose Bay PS and thank you SRC for your efforts in supporting The Indigenous Literacy Foundation and The Stewart House Foundation.

Tell Them From Me 2019

Bay Public School is once again canvassing perspectives from our community using the Partners in Learning Tell Them From Me survey tool. Parents can access the survey by visiting <https://nsw.tellthemfromme.com/survey/splash/rbps19>. The survey will take about 15 minutes to complete. This parent survey helps to clarify and strengthen the important relationship between parents/carers and the school and is anonymous.

The survey window will close on Friday 26th October. Thank you for your participation.

In My Office

I was most privileged to have a number of visitors to my office this week - sharing their wonderful work and insights into our recent art show.

I am always impressed with the high standard of work and the confidence when children present their work to me.

These regular conversations make my day and are a credit to both students and teachers.

Well done!!

BUYEAST Continues as Community Partner

Rose Bay Public School is delighted to announce that local buyer's agent BuyEast has renewed its Community Partner agreement with the school. BuyEast is now in its second year as community partner.

BuyEast, which is a local business with an office recently opened down the road has generously contributed \$5,000 towards the school. The funds will go towards future landscaping projects with a particular focus on additional outdoor seating.

BuyEast principals Nicky and Mark Cadry have three children, all of whom have attended Rose Bay. Their youngest is currently in Year 4 and Nicky herself is a former student of the school.

"As a former student and now a parent I have seen first-hand how wonderful this school is" Nicky said. "BuyEast is very proud to be part of the school community and to support the school in this way. As buyers' agents we understand the importance of a well-designed outdoor space. Land is so limited in the Eastern Suburbs and we all need to take advantage of every available nook and cranny. The planned upgrades to the landscaping of the playground will greatly enhance the students' experience of the outdoors."

You may have noticed that BuyEast has a fabulous Community library outside its office on the corner of Old South Head Rd and Liverpool St. See the pictures below! Nicky invites all students to come along and check it out and maybe pick up some bed time reading! "The library has been so well received by the community" said Nicky. "We love seeing Rose Bay kids making the most of the great range of books which the community has donated".

Principal Gai O'Neill is delighted to have the continued support of BuyEast, which upholds the school's ethos.

"Rose Bay Public School enjoys developing a strong sense of community and it is great to have BuyEast sign on for another year," Ms O'Neill said.

"The generous support of BuyEast will enable us to upgrade the playground. The students have specifically requested additional outdoor seating and we're so pleased to be able to make this happen, and to provide an even better outdoor space for the students to enjoy."

Kindergarten Orientation 2020

A reminder that our Kindergarten Orientation Program, for those children commencing Kindergarten in 2020, is taking place on Thursday 12 September.

If you haven't already done so, there is still time to enrol your child to commence Kindergarten in 2020. Please refer to our school website <https://rosebay-p.schools.nsw.gov.au/about-our-school/enrolment.html> for further information about enrolment or call us at 9371 4800. We look forward to welcoming all of our new Kindergarten children and families to Rose Bay PS for orientation in the coming weeks.

Parent Workshop – Wednesday 25 September-Lock this date in

We're excited to be hosting URSTRONG, an internationally recognized Social Emotional Wellbeing program, which empowers children with the skills, language and self-confidence to be better friends and develop healthier relationships. To build on the success of this program we are offering a parent/child workshop on Wednesday 25 September commencing at 6pm. We encourage all of our families Year 1-6 to participate in this one-off course aimed at assisting parents open the lines of communication with their children. Further information is available at <https://urstrong.com/parents/>.

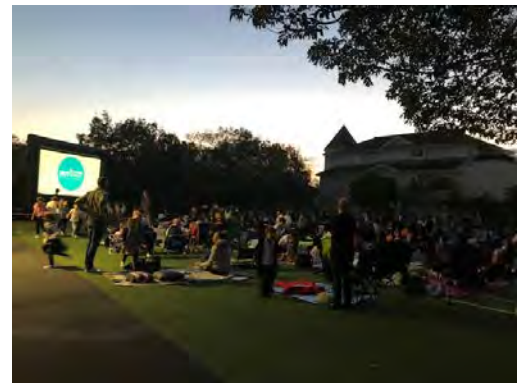

To attend, simply register by visiting <https://urstrong.com/event/language-of-friendship-for-years-1-to-6-plus-parents-at-rose-bay-public-school/>.

P&C News

Our Father's Day movie night fundraiser was a huge success last week, with over 400 people enjoying the evening watching 'Small Foot' on the big screen under the stars. It would not have been possible without our 30 volunteers - thank you to those parents who gave up their time to help us on security watch and the food stalls.

A special thank you to Yianni who stayed back to help us on the night - we appreciate everything you do for our school Yianni.

We had a great selection of dinner options thanks to Big Crunch Sushi and Pita Mix, and the brownies supplied by The Cooks Little Secret were in hot demand!

There was such a sense of community among everyone and it was so lovely to see the excited kids having so much fun. Thank you to all of our volunteers for their support of our Father's Day Movie Night last Thursday 5 September.

The night was a great success and enjoyed by both dads and students alike.

Our next P&C meeting is on Tuesday 12th November. It is the last meeting of the year and the AGM. We need a minimum of 10 people in attendance to hold the AGM, so we would love everyone's support in coming to the meeting.

ATHLETICS CARNIVAL 2019

A few words from the canteen...

NEW HEALTH GUIDELINES

This term sees strict new healthy canteen guidelines come into effect for all public schools across NSW. Fortunately, the canteen already sits within almost all the guidelines.

We have altered the way we serve the **Nachos on Tuesdays**. We now **bake tortilla strips** rather than use corn chips, making them crisp and easier to dip.....Ole!

BACK BY POPULAR DEMAND

Monster macaroni is now available on Mondays and Thursdays. Made with homemade Bolognese or Tomato and Oregano, macaroni is back as a special twice a week.

NEW ITEMS

Banana & Blueberry Muffins, homemade with wholemeal flour and bursting with blueberry goodness. Our muffins are full of fibre and are already a firm favourite \$3.00

Anzac Biscuits, also homemade with oats, coconut and wholemeal flour \$2.60

Why kids & parents love Code Camp!
Rated 4.9 on ProductReview.com.au with over 400 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing hat and t-shirt for the next 2 days. Post camp, he has continued to build on his game and now shares it with his school friends and family."
Stuart, Melbourne ★★★★★

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable."
Katie, Sydney ★★★★★

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."
Jeffrey, Melbourne ★★★★★
