Kinder 2021 Hub

Have you seen our exciting and innovative Kindergarten 2021 Hub? It is a one-stop shop for families with children enrolling into Kindergarten at RBPS in 2021. This wonderful resource has information about everything from school times and what to expect at school, through to helpful tips and websites. Even if you don't have children starting Kindergarten next year, it's definitely worth a look. Visit our school website at <https://rosebay-p.schools.nsw.gov.au/> and click on the Kindergarten 2021 link.

From our Office Team

The office team, Vicki, Lisa and Alex, needs your support. You can help us by following these procedures-

- Under the current guidelines, parents are not to enter the school site.
- When dropping children off late, or picking them up early, please buzz the gate, talk to the office staff to explain your request and wait outside the gate.
- If you are dropping your child off late, we will collect your child from you at the gate. If you are picking them up early, we will call your child from the classroom and bring them to you at the gate.

Thank you for your cooperation and understanding.

Car Pick-Up Line

This is a reminder for all families who use the Go with the Flow pick-up line. The No Parking sign on Wilberforce Avenue means you can park for 2 minutes only and not leave the vicinity of your car. It is best to arrive in this area when the bell goes at 3.20 and your child is waiting so that you are not parked any longer than necessary. If you arrive early, please find a park in a nearby street and walk to your child's pick-up area/gate.

The Go with the Flow area works well when cars arrive from 3.20 - 3.30. There is a teacher on duty between these times to supervise the students waiting.

Police are currently patrolling all schools in the area and fining those who park and drive illegally .

Selective High School 2022

Applications are now open for Year 5 families wishing to apply for a position for their child at a Selective High School in 2022. Please note that you must apply online and that applications close on the 16th of November, 2020. Late applications are not accepted. Interested families must apply online at:

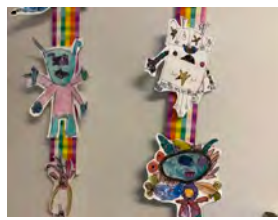

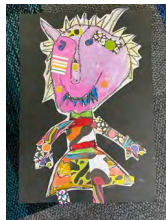

<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

Please refer to the application site if you have any questions.

Book Week 2020 Curious Creatures, Wild Minds

K-6 celebrated Book Week in our library with the fabulous Australian Award-Winning Author and Illustrator Aura Parker. She demonstrated how to illustrate characters and what inspired her to write. Using some of her techniques, our students illustrated fabulous characters. Our library is now full of Curious Creatures!

Second Hand Uniform Pop-Up Shop

Wednesday 11th November 9.20-11am
Wednesday 18th November 9.20-11am

Everything \$2, \$5, \$10!!! All proceeds go directly to the P&C.

Due to Covid-Safe restrictions, the "shop" will be located outdoors near the Albemarle Avenue gate. Parents will be expected to queue 1.5 metres apart, and we, volunteers, will do our best to have the clothes sorted into type and size to ensure a quick turnaround. Please drop any donations you may have to the office, as we won't be taking any on the day. In the event of rain, the pop-up will be cancelled. See you there!! Kate and Marika

Everyday Maths Hub

The Everyday Maths Hub <https://education.nsw.gov.au/campaigns/mathematics/domain>, is a new online platform, developed by the Department of Education, to help parents and carers to engage their children in mathematics. The hub features fun, interactive resources and explanations about a wide range of mathematical topics and how they are relevant to everyday life.

The Everyday Maths Hub:

- is an engaging and dynamic online platform for parents and carers of children in Kindy through to Year 10
- aims to support and encourage family conversations about the relevance and usefulness of mathematics in everyday life
- is part of the NSW Mathematics Strategy to achieve the Premier's vision, 'for all NSW students to develop the mathematical skills they need to succeed in life'
- was designed in consultation with our teachers, parents and carers
- can support parents and carers in empowering their children to think critically and creatively, find and solve problems and notice and wonder about the mathematics in the world around them
- helps parents and carers connect with their children through mathematics.

P&C News

The P&C Annual General Meeting, to vote for new office bearers for 2021 (P&C Executive committee), will take place on November 17 via Zoom. In order to vote, the P&C Federation requires you to be a financial member of the P&C. This is done through a gold coin donation only. This year, these gold coin donations will need to be paid online into the Rose Bay Public School P&C account. Please note that this is separate to any voluntary contributions paid with school fees. Once completed, email proof of payment to rosebaypc@gmail.com so that we can send you the AGM Zoom link.

Please contact us at the above email address if you have any questions.

The bank details for your gold coin donation follow and please note your NAME in the description.

Name: Rose Bay Public School P&C Association, BSB: 062 236, Account: 1000 7160

Warm regards - Jackie Bando, Rose Bay Public School P&C President
