Last Day of Term 1

School Newsletter – 19th February 2020 Term 1 Week 4

What a busy start to the year! A huge thank you to the teaching staff involved in organizing and coordinating our many start of year programs. As busy as our school becomes, it is reassuring to know that the focus for teaching remains improving the educational and welfare needs of our students.

An important reminder that the Meet the Teacher evening is tomorrow evening, Thursday 20 February.

Our Playground Update

Not long now until the newly turfed area will be open and ready for use, weather permitting. We have been advised that it should be accessible to students in another week. This space is a great asset for our school for lessons throughout the day and of course, at break time. Our roof replacement continues.

News From the Canteen...

After 5 years...

Of providing the students of Rose Bay with nutritious food made with love, we have decided to move into a different direction.

We have loved being a part of the RBS community and making meaningful connections with the students, parents and teachers, as well as making a difference to the students' food habits, by supplying good, wholesome and sugar free options.

Our passion is healthy food for the mind, body and soul and we believe strongly in this. Term 1 will be our last serving as the canteen, as we are embracing the world of catering for adults and children, as well as beginning cooking classes.

We thank you for your support throughout the five years.

Angelika & Amanda

Canteen News

After five wonderful years, Love Food will be leaving our school to pursue their catering business full time. We wish Angelika and Amanda the best of luck with their business ventures and thank them for the dedication to the health of Rose Bay students over the last five years. Their last day of operation will be at the end of this term.

Approval is being sought to advertise for tenders to licence the operation of the school canteen as required by the Department of Education Schools Finance Directorate. Thank you in advance for your patience whilst we undertake this process.
