School Newsletter – 4th March 2020 Term 1 Week 6

Our Meet the Teacher evening was well attended and provided parents with valuable information about school and class routines. I enjoyed catching up with many parents throughout the evening. Thank you to all those who attended and thank you to the teaching staff for the work that goes into preparing for these events.

Last week's swimming carnival was another great success. Our students represented themselves and their respective sports houses with enthusiasm and pride. They also demonstrated what it means to be a student at Rose Bay PS. I have received lovely feedback from the pool and staff. Well done! Thank you to the staff who coordinated and organized the day. Carnivals are a big commitment, but well worth the effort.

The P&C comedy night fundraiser is on 21st March. Did you know you can start bidding on prizes now? Auction prizes include holiday accommodation in New Zealand, paintings....so if you are unable to attend, you can still contribute by making a donation or making a bid. Take a look - www.airauctioneer.com/comedy-cause-2020

Finally, school photo days are coming up. Further information follows.

School Photographs

School photographs are scheduled to be taken by Advancedlife on Tuesday 10th March (sibling, leaders, band, violin and Yr6) and Tuesday 17th March (all classes K-5 and portraits).

Please order and pay online before photo day for all photo orders.

Orders for packages and sibling photographs can be placed securely online at www.advancedlife.com.au using our school's unique 9 digit code: **E5R F6Z DA9**

Sibling photographs will only be taken if an online order has been placed. All sibling orders must be in by Sunday 8th March.

Should you have any queries concerning school photographs or online ordering, please direct them via email to enquiries@advancedlife.com.au

ORDER NOW go to www.advancedlife.com.au and enter the code **E5R F6Z DA9**

Second-hand Uniform Shop

Donations

Thank you to all our families who have donated second hand uniforms in Term 1. We love to receive clean clothing in good used condition (no rips or tears). Unfortunately, we cannot take receipt of school bags, school shoes or any non-official uniform items. We are however, looking for donations in sizes 4, 5 and 6 (for younger students). We'd also love to receive netball dresses.

Volunteers

The Second-Hand Uniform Shop is run by volunteer parents on behalf of the P&C. We are looking for mums and dads who would be willing to help out once a week or once a fortnight. We're open Monday afternoons 3.00pm - 3.45pm and Wednesday mornings 9.00am - 9.45am. Please drop in if you can help out, even if it's only for a term or two!

Recycling

When we receive bulk deliveries of uniforms we cannot sell, we either place the items in the free uniforms box (help yourselves!) or take clothing to H&M to be recycled.

RBPS Band Shirts and House Ts

We have lots of RBPS band shirts and House T-shirts available.

**Uniform Shop &
2nd Hand Uniform Shop
Opening Hours:
Mondays 2:30 - 3:30pm
Wednesdays 8:45 – 9:45am**

Grandparents' Morning

Save the date for Kindergarten Grandparents' morning 2020, a wonderful opportunity for grandparents to visit classrooms and participate in learning with their grandchildren starting school this year.

Our Kindergarten Grandparent's Morning will be held on Thursday 2 April commencing at 9.30am.

Year 6 2020 Moving into Year 7 2021

A form has gone home to all Year 6 parents, requesting you to indicate your child's intended high school for 2021. Please look out for this form in your child's bag or follow this link https://education.nsw.gov.au/content/dam/main-education/public-schools/going-to-a-public-school/media/documents/Moving_into_Year_7_in_2021.pdf

Supervision Before and After School

The safety of all students is paramount at all times. This includes before and after school. Please be reminded that teacher supervision in the playground starts at 8.50am each morning unless it is for a specific activity.

In the afternoons, we ask that all children leave the playground at 3.20pm and do not remain to play on the school grounds or on the equipment. Thank you for your support

Handwashing and Hygiene

At Rose Bay Public School, we regularly remind children of the importance of handwashing and good hygiene. Here is one of the posters that we currently use to encourage good handwashing practice. You may wish to use this with your children at home also.

RBPS 2020 Swimming Carnival

Our swimming carnival was held at Botany Aquatic Centre on Monday 24th February. All students had the opportunity to participate in a variety of races including freestyle, backstroke, breaststroke and butterfly. The carnival was a wonderful day for everyone involved including children, staff and the many parents who gave up their time to come along and support the event.

The day was a success thanks to the efforts of both our exceptional teachers and our very well spirited students. Well done and thank you all. Thanks must also go to our sports captains for their organisation and participation throughout the day.

Well done to EVERY student who got in the pool for one or many events. Every time you did so, you received a point for your house! Congratulations to the swimmers listed below. Places are decided on the fastest times over ALL heats, not individual races. Well done to Phillip House for having the highest overall score on the day.

Rated 4.9 on ProductReview.com.au with over 400 5-star reviews!

"Was tentative to do it at first, but after the first day was absolutely in love with code camp. Insisted on wearing that awesome t-shirt for the next 2 days. Post camp, he has continued to build on his game and now shares it with his school friends and family."

Stuart, Victoria
★★★★★

"My daughter loved her code camp and will be back for more... The experience was great, teachers were fantastic and the follow up emails with more activities has been unbelievable..."

Katie, Queensland
★★★★★

"The end result is far and away the best programming teaching environment I have ever seen. Seriously now my primary school child can program in JavaScript."
