IMPORTANT COVID-19 UPDATE

Dear Rose Bay Families,

I wish to advise you that Rose Bay Public School will be non-operational for on-site learning tomorrow Friday 12 June 2020. All students will undertake at home learning tomorrow.

The Department has been advised by NSW Health that they are investigating a probable case of COVID-19. The safety and wellbeing of our staff and students is of paramount importance, as a precaution the school will be non-operational while we await confirmation from NSW Health. Further details will be provided to the community as soon as I am able and all official guidelines and procedures are met.

The school will continue to support students with the existing at home learning arrangement while the school site is non-operational. Learning materials are available online through the Department's Learning from Home site, <https://education.nsw.gov.au/teaching-and-learning/learning-from-home>

Further advice will be provided tomorrow once confirmation has been received from NSW Health.

Further information on COVID 19 is available on NSW Health website @ [NSW Health](https://www.nsw.gov.au/health). If you have any education related questions please contact [1300 338 679](tel:1300338679) (1300 EDU NSW).

Yours sincerely,

Gai O'Neill

Principal
