**Covid Safe School Community**

A warm hello to the entire Rose Bay School Community. Thank you everyone for assisting us and working together each day to maintain a Covid safe school. Our school is a happy, secure environment where learning and wellbeing is our focus. However, now is not the time to be complacent.

This pandemic has affected every one of us in some way, but nowhere more than in Victoria at present. Whilst we have closed our borders, we open our hearts to the situation they are in. To those friends, family and colleagues in Victoria, our thoughts are with you. A special shout out to all health care workers who continue to do an amazing job.

Stay safe and take care.

**Education Week 2020**

Education Week is an annual celebration of public education and the achievements of local schools and students. This year's theme of 'Learning Together' is acknowledged and celebrated with a special Education

Week edition of our school newsletter.

This year especially, schools and communities have learnt to connect in new ways. Teachers continue to collaborate and create positive learning environments for students to achieve their personal best.

This Education Week edition of our newsletter includes examples of student achievement, together with photos and images from every stage of learning. Importantly, we hear from students themselves, who share their thoughts about 'Learning Together'.

To the students of RBPS...I am so proud of you and the resilience you have shown throughout a challenging year. To the parents and carers of RBPS...thank you for the strong and respectful partnerships you continue to build. To the staff of RBPS...the dedication and professionalism you demonstrate ensures all our students are known, valued and cared for. Happy Education Week 2020!

**Kindergarten 2021**

We are excited to announce that we are now accepting Kindergarten enrolments for 2021. If you have a child born on or between 01/08/2015 and 31/07/2016, they may be eligible to enrol to start school with us next year. Commencing Kindergarten is an important step in your child's academic and social journey, and at Rose Bay Public School we are ready to make it the most exciting time of your child's school life.

We will also start communicating regularly with our prospective families regarding the transition to school process. It is likely to look a little different this year due to the COVID-19 restrictions. Do take a look at our Rose Bay PS website to stay informed.

The office staff are also happy to answer all your questions. We look forward to welcoming you and your child to the Kindergarten class of 2021!

**CareMonkey is rebranding as Operoo**

CareMonkey is rebranding as Operoo from Monday August 10. You can continue using the system, and its mobile application, as usual. Just be aware that from Monday August 10, emails and notifications sent from the system will appear under the new name Operoo. It's just a name change.
