## Teddy Bear's Picnic

Great fun was had by our 2022 and 2023 Kindergarten families at a Teddy Bear's Picnic on Wednesday. Our current Kindergarten children had the opportunity to introduce their teddies to friends, share in some fabulous outdoor activities, show their families their classroom and share their learning. Parents were very proud of their writing and artwork of Australian animals.

Our 2023 Kindergarten children had the opportunity to meet each other and make friends as they participated in a number of different play stations with the Year 5 buddies. They also visited the classroom, familiarising themselves, ready for their transition mornings in two weeks. Parents also had the opportunity to meet each other. The smiles said it all! A big thank you to Mrs. Dooner, the Kindergarten & Year 5 teams and other staff for such a fabulous day.

## Garden Working Bee: Saturday 26 November

Join us for a gardening working bee on Saturday, 26<sup>th</sup> November from 8.30am – 3pm. After being successful in obtaining an environmental grant from Woollahra Council, the P&C Subcommittee members, Eliana and Marika are organising the installation and upgrade of our gardens to promote a 'native corridor' for small birds and insects. So if you have a free hour or two or three, bring your gardening gloves and your enthusiasm and join us. Register [here](#) by **Thursday 24 November**.

## High Potential Education and Gifted and Talented Students

Students were challenged to extend their critical and creative thinking as they collaborated to problem solve in a gifted and talented program hosted by G.A.T.E.Ways. From designing bridges to tessellations and drama, students used their thinking skills to find solutions. Thank you to Mrs. Glen for organising this initiative.

Congratulations to our Year 4 students who have been offered a position in an OC class for 2023. I would also like to congratulate Niki in Year 6 who recently represented NSW at the National Primary Athletics Championships. Yesterday I had the opportunity to see our talented dance students perform in their end of year concert, which was enjoyed by families and other students.

## P&C Meeting

Please join me at the AGM P&C meeting next Tuesday, at 7pm at the school. To register click: <https://www.trybooking.com/CDSBN>

# Languages @ Rose Bay Public School

After a whole school community consultation on languages, in 2023 we will be trialling an expansion to our language program. We will continue to offer French and Hebrew and will now also offer Spanish.

In 2022, students in Kindergarten and Year 1 had the opportunity to learn Hebrew during class time. In 2023, this will be extended to a choice of Hebrew, French or Spanish.

In 2022, students in Years 2-6 had the opportunity to learn French and Hebrew before and/or after school and in 2023 this will be extended to include Spanish. All language programs are extra-curricular and therefore have a cost.

Rose Bay Public School will coordinate the in-class Kindergarten and Year 1 French and Spanish programs. BJE will manage all Hebrew programs, and the Years 2-6 Spanish and French programs will be managed by the language schools. Notifications were sent out this morning to all families.

# YEAR 3 EXCURSION

In history, we have been learning about the original inhabitants of Australia and First Contacts. To help us learn about this, on Tuesday 15th November, we travelled to Botany Bay Environmental Education Centre.

We left early, before school started and travelled 1 hour away to Kurnell.

We broke into smaller groups and we each did lots of different activities. Check out the photos to see what we got up to!

Can you guess who we are dressed up as?

"My favourite part of the excursion was sketching. I sketched a native wattle flower." - Zali

Well done to all Year 3 students for all your hard work, careful listening and excellent behaviour on the day!

# THANK YOU, RBPS!

Last week, Miss Mullens and Ms Skelton visited Wilcannia Central School in far west NSW to learn about Aboriginal culture in a remote community.

They had the opportunity to be a part of a school day, participate in community events and connect with Aboriginal elders to discuss the importance of language and the land.

Thank you to all Rose Bay PS families who generously donated new books for the students in Wilcannia to receive at Christmas time. The books have been safely delivered and are waiting under their Christmas trees.

"A BOOK IS A GIFT THAT YOU CAN OPEN AGAIN AND AGAIN."
