

Rose Bay Public School

Principal Awards-

This week we recognised students who have worked consistently in their learning and displayed a positive attitude to school. We are proud of these Principal Awards recipients. These students will be invited to the principal morning tea later in the term.

Year 5 Leadership nominees-

Each year students from Year 5 are nominated for the opportunity to become part of the student leadership team in Year 6. This group of students will now wear their newly awarded badges. The students will present a speech to their peers across years 3-6. The 2023 student leadership team will be announced and presented with their leadership badges on our annual Presentation Day. We wish all nominees the best of luck.

Student Achievement in Athletics-

We are extremely proud of Niki Danilis who has been successful in the recent NSW PSSA Primary State Athletic Championship. She competed in the 12yrs girls long jump and has now been selected to compete in National Primary Athletics Championships to be held in Brisbane soon.

Update on Albemarle Ave footpath and RBOOSH gate-

The area of footpath between the crossing and including RBOOSH gate will be closed until further notice. We are working with the council to have a temporary footpath installed to support student and community access. This should be ready by Monday afternoon and until then we will continue with additional traffic controllers. We encourage you to use the Wilberforce Ave gates.

4 November 2022 Term 4: Week 4

What's on

- 16 November Kindy Teddy Bear's Picnic
- 22 November P & C AGM
- 26 November: Garden working bee

Please see the Sentral Parent Portal for the calendar of events.

Department News and 2024 Selective High School

NSW Department of Education's Strategic Plan 2024-28

Dear parents and carers,

Reflecting on the challenges of the last few years, the NSW Department of Education is in the process of reviewing and evaluating what school success looks like now and in the future. It's enhancing ways to support student success and wellbeing as part of ongoing school reform. The goal is to support our schools in a way that is more responsive to their needs and priorities.

To inform this work, the department is inviting parents and carers to share their perspectives on what the school and the department could do to improve the schooling experience. By participating, parents and carers will inform the department what is working well, what needs to be improved, and will be involved in shaping new and innovative initiatives.

If you would like to be part of the discussion, there are face-to-face and online forums being held in weeks 5, 6 and 7 of Term 4 (7 – 25 November). You can register your interest and find more information at [Have your say on what school success looks like](#), including the locations and timing of sessions.

Selective High School: 2024

Information for applicants

For entry to selective high schools in Year 7 in 2024

Ready to apply?	Key Dates
Apply online at: shsoc.education.nsw.gov.au	Application website opens 18 October 2022
	Application website closes 16 November 2022
	Test centre and test authority advice released 20 April 2023
	Selective High School Placement Test 4 May 2023
	Illness/misadventure requests submitted 11 May 2023
	Placement outcome expected to be released Mid-August 2023

Note: there may be changes to the dates and procedures in this document.

For the latest updates visit:

Information reports in Kindergarten!

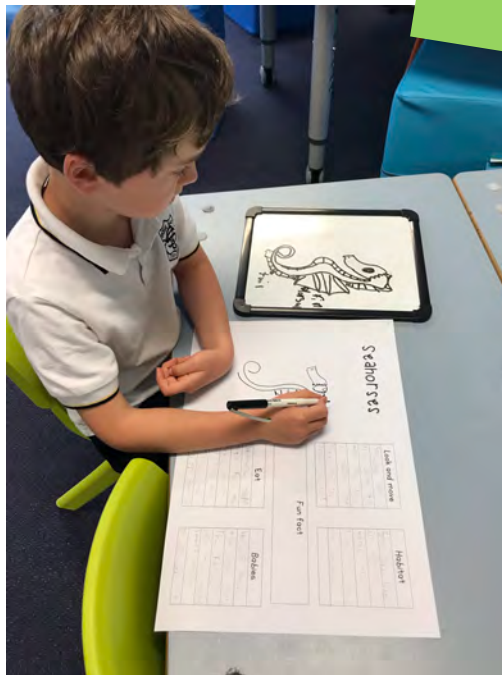

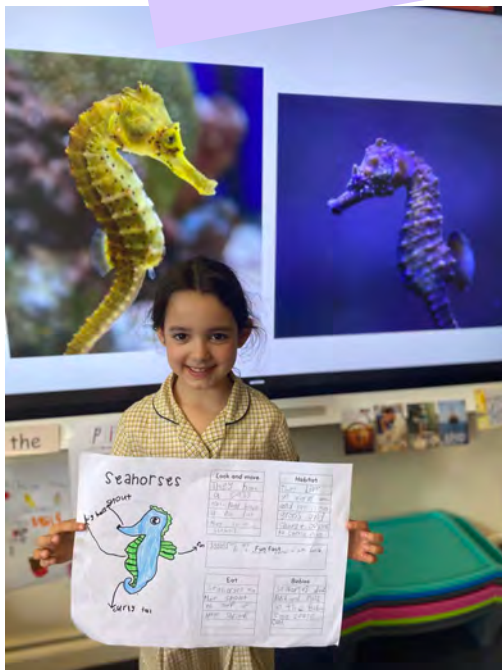

Kindy students were inspired by Alison Lester's Magic Beach and have been researching seahorses. Students read informative texts during reading groups and collected information. They then watched videos and created an information report! Check out our fabulous work and ask us a fact about seahorses!

Creating

Junior and Senior choirs perform at the Sydney Town Hall

Over two spectacular nights, our choirs performed as part of the Department's music festival. They joined with choirs and musicians from schools around NSW to provide first class entertainment before a mesmerized audience. Thank you Miss Bartholomew for your excellent preparation.

Year 2 Swim School

Year two has been fortunate enough to attend the Swimming Scheme taking part in a 'Learn to Swim' program as part of our school curriculum.

The Department of Education and Training School Swimming Scheme is an intensive learn to swim program that develops water confidence and provides students with basic skills in water safety and survival.

The program took place at the beautiful outdoor venue, Andrew Boy Charlton Pools in the domain. We have missed out for 2 years due to COVID, so this year group were super excited to be learning one of the most important life skills !

Our students were designated to their levelled swimming groups and learned to do lifesaving skills like back skulling, survival float, survival backstroke, breaststroke and freestyle.

The year 2 group of '22 had a great time in the pool. Enjoy our photos!

Senior Band Performance

Kindergarten, Year 1 and Year 2 students were delighted to experience a performance by the Senior Band in assembly on Tuesday. Visiting the K-2 assembly to showcase our fabulous band program, students were treated to a variety of songs. Learning about the variety of instruments which make up the band, Stage One students were then shown each instrument with Mr Molloy at the conclusion of the assembly. Year 2 students were given information about joining the band in 2023.

Probots

YEAR 6 MATHEMATICS & CODING

Exploring

Creativity

Problem solving

"The Probots were exciting and fun to experiment with. We learnt to code the Probots to draw different shapes and show our understanding of fractions." - Orlando

Experimenting

Probots

YEAR 6 MATHEMATICS & CODING

"I had fun with the Probots. It was challenging at first but then I learnt to use it properly." - Ori

Communicating

"Our group finally made a square after experimenting 5 times. It took persistence, teamwork and resilience from everyone!" - Zahara

Collaborating

"We struggled to split the shapes into quarters but when we worked together and focused, we eventually did it and made more shapes." - Ari

Critical thinking

Curiosity

Pro-Bots

Follow the steps below to create a regular polygon and divide it equally.

1. Take a photo of the program you have created (a photo of the screen)
2. Record your pro-bot running the code
3. Upload your video, photo of your drawing and fraction, decimal and percentage calculations on the [SeeSaw task](#).

Square:

1. Use Pro-Bot to draw a square of sides 8 cm. Each interior angle is 90 degrees.
2. Divide the square into quarters (1/4) using Pro-Bot as your drawing tool.
3. What fraction does each square take up of the larger square?
4. Record the fraction, decimal and percentage that each small square takes up.

Rectangle:

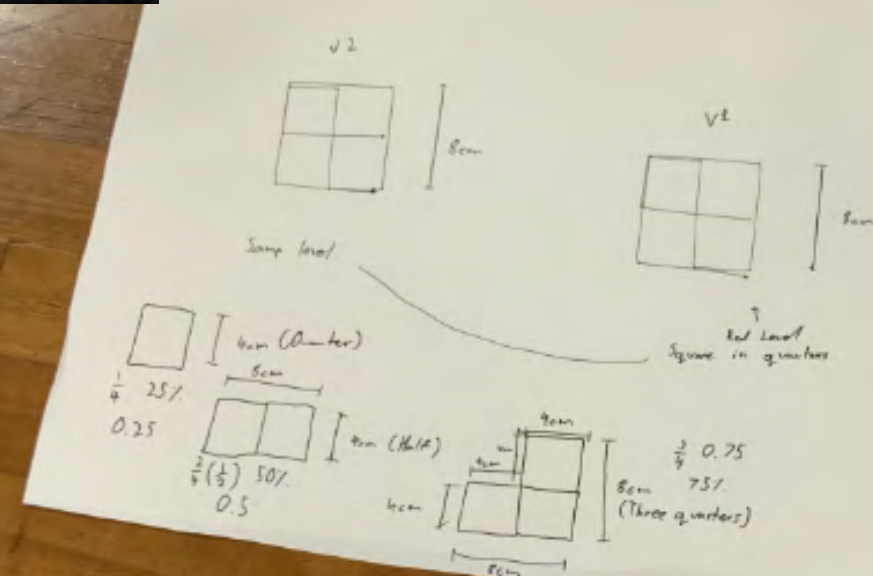

1. Use Pro-Bot to draw a rectangle of sides 3 cm and 6 cm. Each interior angle is 90 degrees.
2. Divide the rectangle into thirds along the longer side using Pro-Bot as your drawing tool.
3. Divide the rectangle into halves along the shorter side using Pro-Bot as your drawing tool.
4. How many equal parts do you have?
5. What fraction does the smaller shape take up of the larger rectangle? Record the fraction, decimal and percentage.

Rhombus:

1. Use Pro-Bot to draw a rhombus of sides 6 cm. One pair of opposite interior angles is 60 degrees each and the other pair is 120 degrees each.
2. Divide the rhombus into thirds, using Pro-Bot as your drawing tool.
3. Divide the rhombus into sixths (1/6) using Pro-Bot as your drawing tool. Are the fractions rhombuses? If not, what shapes are they?

Challenge: Can you follow the instructions and program your Pro-bot to complete all the steps in one go?
- Choose another shape
- Write the first letter of your name

"It was a challenge for my group. We were successful in the end. It helped me build new ideas and learn to code." - Noah

BYODD 2023 AT RBPS

At Rose Bay Public School we're committed to creating innovative and collaborative learning experiences for every learner through the use of iPads. To support better integration and wider access to technology within the classroom students in Year 4, 5 and 6, 2023 will participate in our BYODD initiative.

For more information about our BYODD initiative, please visit our

FREQUENTLY ASKED QUESTIONS

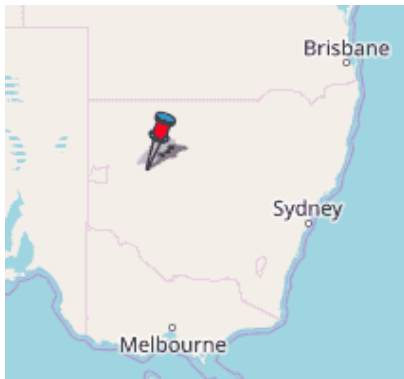

on the school's website.

GIVING TREE APPEAL

This year, Rose Bay Public School has partnered with Wilcannia Central School to bring joy to people in need.

Wilcannia is located in north western NSW, about 11 hours drive from Rose Bay Public School.

Wilcannia Central School is for students from Pre-school to Year 12, with 83 students, 95% of which are Aboriginal.

We are asking for donations of BOOKS as gifts to be taken to Wilcannia later this term to ensure that all children have a present to open this Christmas.

Please bring a NEW copy of your favourite book to be gifted to a child aged between 3 and 18 years old. This can be left under the giving tree in the library by Wednesday 9th November.

Thank you for your support.
