Art Show: 'Behold—Our world'

Wow! Spectacular! Amazing! Incredible! are just a few words I've heard to describe our whole school art show. This is my first art show and I have been completely amazed by what has been achieved. Fitting for such a quality exhibition, it was opened with two events. In the morning the official ribbon cutting was conducted at the students' opening. Students heard from our guest speaker, illustrator and architect, Antonia Presenti. Later that evening Costa Georgiadis, landscape architect and television presenter, opened it for our parents, carers and the community. We thank our guest speakers, Mayor of Woollahra, Susan Wynne, Director, Educational Leadership, Paul Owens and other visiting principals and teachers for attending. Thank you also to our auctioneer and parent, Mr. Adam Kant for such an entertaining auction of the class artworks.

Ava in Year 4 said, 'Art is happiness and joy' and this is what we experienced throughout the term as students studied art and artists. Students learnt about artists as well as the mediums and techniques they use. They each made an individual piece, which will become a treasured art piece at home at the conclusion of the exhibition, as well as collaborating on a class piece. Their happiness and joy could be heard as they entered the exhibition, as the first very excited visitors. The teachers and I wished we could have bottled it up!

The art show is also a lovely community event which has seen many parents and carers volunteer in the classroom. It is wonderful to have you all back on school grounds. Many of you have also visited the exhibition before or after school and I encourage others, if they have the opportunity, to attend before it closes next Tuesday afternoon.

The scale of what has been achieved is incredible and a testament to all the teachers at Rose Bay Public School. Led by Ms. Mullens, Ms. Smith and the Art Committee, all our dedicated, creative, caring teachers have worked tirelessly to ensure that all students could become artists who exhibit their work in a first class exhibition. A HUGE thank you to all our teachers. Thank you also to our support staff who work tirelessly behind the scenes supporting our teachers. This has been a real team effort with everyone pitching in to help where they can. Thank you, thank you, thank you.

ART BY THE BAY OPENING

Behold: Our World!

On Wednesday 7th September, we celebrated the opening of our Art Show!

We had a very special assembly with some guests including Susan Wynne (Mayor of Woollahra), Bree Alami (Director of RBOOSH) and teachers from other schools.

Olive from Year 1 and Anotnia cut the ribbon to officially open the show!

We were so lucky to have Antonia Pesenti, local architect and illustrator, speak to us and officially open our show! She has illustrated lots of books in our library including Alphabetical Sydney and Numerical Street.

Emma from Year 5 talked about how important the Art Show is to us!

It was a great assembly. Thank you to all our special guests for attending.

Then, we all got to walk through the show!

"It was wonderful to see all the hard work from RBPS students pay off"- Zahra, Year 6

"Seeing my artwork in the gallery made me feel very proud and artistic because it turned out very well."- Cody, Year 3

Some classes took photos in front of the wings on the stage!

Don't forget to check out the show- open before and after school until Tuesday 13th September.

Rose Bay Public School: leading the way with technology

Led by Ms. Mullens, the Stage 3 teachers have been working with a group of students on an augmented reality (AR) project. Using iPads, the students created the four seasons as worlds and users can tour and play in each world. This can be seen if you visit the art show. On Tuesday this week Ms. Mullens was asked by Apple to present at an Apple Education event for educators Australia-wide. She was able to discuss the project and the educational processes used by the students to develop the AR. Rose Bay Public School is leading the way with authentically using technology!

NAPLAN

Our school NAPLAN results have been released and earlier this week the student NAPLAN reports were posted home. NAPLAN is one set of data which records a snapshot of Year 3, 5, 7 & 9 students' achievements in time. This year Rose Bay Public School has seen an increase in most learning areas. In Year 3 there was an increase in reading, spelling, grammar and punctuation and a similar result in numeracy. In Year 5 there has been an increase in reading, writing, spelling and numeracy. An amazing achievement! This demonstrates the professionalism, expertise and dedication of all our teachers. Please note that there is no growth data this year as the Year 5 cohort did not sit the test in 2020 due to COVID.

Congratulations to our Principal Award Winners!

Year 2: Ava, Naomi, Chloe, Oliver, Adir and Cleo

Year 3: Kirill, Spencer, Isabella, Ronit, Max, Sienna and Oliver

Year 4: Hannah, Ava and Dylan; Year 5: Allison and Year 6: Zahra and Lucas

A Principal's morning tea for our Term 3 award winners will be held on Tuesday, 13 September.

SCPSSA Zone Athletics Carnival 2022

After great results at our RBPS Athletics Carnival, 37 students were selected to represent Rose Bay Public School at the SCPSSA Zone Athletics Carnival at E.S Marks Field.

We enjoyed many great individual races, field events and relays performed by each competitor in our Rose Bay Athletics Team. Rose Bay clearly has a great depth of talent and was awarded 3rd place overall amongst 17 schools.

Mr Abbott, Mr Roby, Mrs Glen and Mrs Mills were very proud to see all RBPS children cheering each other on and shaking the hands of fellow competitors after their races – even if the end result wasn't what they had hoped for. We were also lucky to have such many parents attend on the day to support the team.

Congratulations to all members of our Athletics Team – especially the following children who did so well in their races they have been selected to represent SCPSSA at the Regional Athletics Carnival.

Ava E – 11 years 1500m, 11 years 200m and 11 years 800m.

Ezra N – 11 years 1500m and 11 years 800m.

Niki D – 12 years 100m, senior long jump, senior shot put and senior high jump.

Willa S – 11 years long jump.

Special mention goes to Niki D who broke 2 long standing SCPSSA records on the day – Senior Girls Shot Put and Senior Girls Long Jump. Niki was also awarded the very prestigious Bob Laurendet Award for the best overall female athlete at the carnival which is well deserved.

Being selected to go is a great achievement in itself and we wish them all the very best of luck.

P & C News

Our last function of the year is our Parent Fundraiser - Comedy For A Cause on the evening of Saturday 22nd October 2022.

This one is just for the adults to come along have a good laugh. Our last one sold out so don't miss this one! Look out for booking info in the next few days.

**IF YOU HAVE YOUR RSA & CAN HELP AT
OUR BAR AT SCHOOL FOR THE PARENT
FUNDRAISER ON 22/10/22, PLEASE EMAIL**

As with all our Fundraisers, we can't do them without help from our community. If you can volunteer your time anytime between 5.00 – 11.00pm, please email rosebay-publicschool@pandcaffiliate.org.au

Our Father's & Carer's Movie Night was a great success last week. We had about 350 people there, and I'm sure most would agree it was such a fun night, especially for the kids.

A huge thank you to all of our volunteers who helped at the fundraiser – we could not have done it without you.

Thank you also to Greg Bloom of 1st Street Financial for sponsoring our movie night. We greatly appreciate your support.

It made me so happy to see our wonderful community come together again. An extra bonus was making just over \$4,200 for our school.

Join our P&C (just a gold coin donation each year) to be able to vote on where our money goes to for the school. Email rosebaypublicschool@pandcaffiliate.org.au to find out how.

I will sadly be finishing up my time at RBPS at the end of this year, as my son is in Year 6.

If you're interested in taking on the rewarding volunteer position of President of the P&C, please email me at
